

Lunenburg County's Animal Control Officer Ray Elliott will once again forego his Thanksgiving dinner to benefit the Spay/Neuter Program at the Southside SPCA.\*

Hamburger.....	\$3.00
Cheeseburger.....	\$3.50
Hot Dog.....	\$2.00
Grilled Cheese.....	\$3.00
Sweets.....	50¢

\*Ray will not be seated at the dinner table with his family in hopes to bring awareness to the pet overpopulation in Lunenburg County, and to raise much needed funds to assist residents in spaying and neutering their pets. His goal is to raise \$15K this year and he vows not to leave the kennel until 6:00am the next morning OR until he reaches his goal.

Donations can be made in person to Ray on Thanksgiving night or at [southsidespca.org](http://southsidespca.org). Those interested in supporting his efforts can contact him directly at 434-917-9065.
