This bow has a repaired lower back limb (minor delamination and stress). I put the bow through a stress test (held at full draw for 12 hours) and shot it several times to make sure the repair held. Limbs are straight. Beveled arrow shelf. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition.
