

THE TETRAD TEMPLATE

The purpose of this illustration is to depict the phi ratio symmetry during the Blood Moon Tetrads since Israel's rebirth in 1948. The point is that the last Tetrad of 2014-15 was part of a large Triad of Tetrad since 1949. The 3 Tetrads were in approximate phi ratio also and the pattern is thus that the prophetic event subject to that Tetrad in proximity occurred before, during and thus will occur after the Blood Moons. Also each Tetrad was subject to a restoration concerning the Covenant People of YHVH. This depiction does agree that the May 14, 1948 and the June 7, 1967 were prophetic and part of a 3 component countdown accented by the Blood Moon Tetrads. It was in 1947 that the UN passed the resolution to partition the Promised Land and carved out a State for the Jewish People. The Partition Plan also included a State for the Muslim Arabs which they rejected it as they wanted it all and to have no Nation-State for the Jewish People. From the year of 1947, the Jewish people saw the 70th anniversary also in 2017 and in 2018. Specifically from the 1948 Declaration of Independence marked in the year 2018 the rededication of the Altar of Sacrifice. Perhaps this will start to the countdown of the completion of the 70 Weeks of Years concerning Daniel's prophecy for 'His People'. In 1948 the State of Israel was birthed, in a day; the Tetrad came afterwards within a 2 year span of time. This was the 1st variable of the restoration as debriefed by Jesus to His Disciples given in the Olivet Discourse. The 2nd Restoration would be the City and the 3rd or last Restoration would be the 3rd Temple. These 3 elements have to be in place at the return of Jesus as they were then.

The subsequent Tetrad of 1967-68 occurred during the prophetic event of having not only the city of Jerusalem liberated from the Muslims but the Jews secured the Temple Mount. Recapturing the city of Jerusalem was the 2nd variable disclosed by Jesus that needed to be restored in the End of Days. This prophetic restoration was the 2nd Tetrad Template occurred on Pentecost in the 2 year window of the Tetrad of 1967-68.

Thus this study contends that the last and 3rd prophetic variable to be restored next is the Temple. Based on the Tetrad Pattern, the Temple would come after the 3rd Tetrad of 2014-15 within a 7 year window of time, a Sabbatical Cycle. This puts the timeframe of the Temple being either restored or beginning to be restored from the timeframe of 2022 and beyond or more plausible in the Jewish year correspondent to a coming major regional war with Israel and its Muslim enemies. Thus the years after 2022 could fit the pattern of the 'after' sequence concerning the Tetrad pattern of prophecy.
