Dear IASMC Nobles and Ladies,

I'm looking forward to working with each of you as we prepare for the competition in Charlotte, North Carolina. Being at the helm has been a challenge but a rewarding experience. I want to thank all the officers and past presidents who have helped me along the way. Our team of line officers has worked hard to make this a successful year.

We were honored to have Imperial Potentate Sir Michael Severe and Imperial 2<sup>nd</sup> Ceremonial Master Jim Cain attend our Mid-Winter meeting in Nashville in April. I was also proud to have the support of my own motor corps from Al Menah during this event.

A big welcome is extended to all motorized units and shrine centers coming to Charlotte, NC. We look forward to everyone having a safe and enjoyable competition. The Hilton Charlotte University Place hotel is the IASMC headquarters hotel and has plenty of parking for extra equipment at no charge. Our general membership meeting will be held Sunday 7/1 at 2pm at the Hilton followed by Captains and Judges meetings, and of course, our hospitality suite.

We hope to see you all at Competition and at our Awards Banquet Monday July 2<sup>nd</sup>. It is imperative the organization have your response promptly for an accurate head count. Please see the competition and banquet reservation forms elsewhere in this booklet or on our website and get your replies in to our Secretary / Treasurer as soon as possible. Let's have fun together in Charlotte!

Yours in the faith,  
*David Vaughn*  
President

## Welcome to the IASMC Annual Meeting

It is a pleasure to welcome you to the IASMC Annual Meeting in the beautiful city of Charlotte, N.C. Associations like the IASMC have played a pivotal role in developing powerful leaders to ensure our fraternity's future success.

Prior to joining the Divan at El Jebel I competed in the IASMC and the Central States Association of Shrine Motor Corps for 10 years. I always enjoyed the camaraderie and the opportunity to meet so many dedicated Nobles.

During this Imperial Year, which is also the 140th anniversary of our fraternity, I've asked that every Noble embrace my theme and "Remember Why You Became a Shriner!" We all need to remember that our great fraternity was created to bring fun and camaraderie into Masonry. Along the way we created an amazing philanthropy, which allows us to improve the lives of children and make the world a better place. I believe that if every single Noble commits himself to remembering his individual "history," honoring our collective history and working together to strengthen brotherhood, our amazing organization will only grow stronger.

It truly has been an honor to serve as your Imperial Potentate and meet so many of you. I wish you a productive and enjoyable meeting. Thank you for your commitment to Shriners International and Shriners Hospitals for Children®.

"Remember Why You Became a Shriner!"

Yours in the Faith,

Michael G. Severe  
Imperial Potentate  
Chairman of the Board of Directors

Standing on the footrests of a two (2) wheel vehicle is acceptable as long as the rider has full control of vehicle. Kill switches are not a requirement of the International Association of Shrine Motor Corps. It is a Federal Law that this feature be installed at the factory. The number and types of drill maneuvers by each competing unit shall be at their discretion, but must contain a minimum of four (4) basic maneuvers. They are TWO'S, FOUR'S, FIGURE EIGHTS, DOUBLE CIRCLES WITH INSIDE WHEELS MATCHING. These required maneuvers may be performed in conjunction with optional maneuvers. Other maneuvers will be considered by the Head Judge under Category IV,

**IX. Variety of Drill.**

All drill maneuvers must be executed in a manner clearly recognized by the Head Judge. The total team score shall be computed by adding together the two- (2) lowest individual total time scores posted by each rider/driver from the same unit. No rider/driver shall be allowed to compete with more than two- (2) weight classifications within his Temple.
3. The same vehicle cannot be ridden by more than one rider that are contestants. There must be two riders and two vehicles, and they are the same two vehicles used in the drill competition.

6. One second will be added for each cone or pylon that is moved or knocked over and has to be replaced by the judge on the field.
7. If the rider leaves the course pattern as laid out, he must re-enter at the place where he left the course.
8. No contestant may ride the obstacle course before the start of competition. Anyone doing so will be disqualified. He may walk the obstacle course prior to the start of the competition.
9. If the obstacle course rider is other than competing member of his Corps, he and his equipment must stand inspection with his Corps.
10. Following Corps inspection, no equipment shall be removed.

**Contestants must wear a DOT approved motorcycle helmet on the Obstacle Course Field, whether a 2, 3, or 4 wheeled rider.**

**INSTRUCTION TO THE JUDGES**

It is not the intention of the IASMC to tell the judges how to appraise each unit for the scores they think it is entitled to or has lost because of something they see. We believe that a unit should not be discounted because of minor chips in paint or bluing of exhaust pipes, so long as they are polished and neat. This could happen to a motor just coming to the drill field. If it is their desire to award the unit all points it is allowed, then they will leave the space blank. However, if they wish to discount a unit points, they will put down only the amount they want to penalize the unit for each part on the score sheet. A penalty of 1/10 of a point per violation will be given on inspection.

Deducting points for each mistake made on the field as per the score sheets will score riding competition. Five judges will be used. The high and low scores of these judges will be discarded. The remaining three will be averaged and deducted from 100. This is the score for the participant. It is not the desire of IASMC to interfere with the nomenclature or types of maneuvers that a unit performs. The number of maneuvers (other than required) is counted as an objective count of variety. The highest number of optional maneuvers performed in each classification is used as the denominator for each other unit in the classification and that number multiplied by ten (10) determines the Score for Variety. The Chief Scorer will perform that function.

## Summary Minutes of Mid-Winter Meeting, Nashville TN 4/13 &14, 2012

All officers were present, plus 7 past presidents and Secy/Treas Emeritus John Anderson and several guests. Guests included Sir Michael G. Severe Imperial Potentate and Jim Cain, 2nd Ceremonial Master as well as Brad Waite, Secy Treas CSASMC. Several members at large from Al Menah and Alzafar Temples also attended. Meetings were called to order and benedictions and pledge of allegiance given. Treasurer provided a financial status update. Bank balance as of 4/9/2012 was \$12,024.11. Audit committee conducted an interim review of details and found all to be in order. Considerable discussion of officers' operational details was conducted and preliminary assignments for Imperial competition were made. These will be further pursued as needed in follow up conference calls to prepare for Charlotte. Major motions and decisions: 1) mandatory implementation of kill switches will be deferred pending further clarification of technical details 2) presence of candidate for line at Mid-Winter deferred as no candidate present due to last minute withdrawal of expected candidates due to local Shrine obligations; agreed to emergency situation to allow phone interview; Mike McLaughlin, Zurah Temple, Minneapolis was nominated and interviewed via conference call—he will attend Charlotte. Bylaws will be amended to formally address such emergency situations. PP Ardys Bennett to draft for review by officers and board. 3) motion was made and passed to consider separating inspection and drill for trophy awards beginning in 2013. 4) motion was made and passed to establish an advisory council with an appointed representative from each regional organization. Council will be formed in 2013 and details worked out; in 2014 they would be granted voting privileges. Periodic conference calls with Advisory Board would be conducted and they would be expected to attend MidWinter and Imperial. IASMC Officers will also develop a schedule to attend regional meetings on a more regular basis. Imperial Sir Mike Severe updated the group on Shrine issues being faced in Michigan and Arkansas. The group enjoyed social activities including a tour of the Jack Daniels Distillery, Al Menah's Casino Night, the Lane Auto Museum, The Ladies' visit to the Southern Women's show, dinners at Miss BoBo's Boarding House and Monell's restaurants. Several toured the honky-tonks of Broadway and the Grand Ole Opry. Excellent hospitality suite was provided by Al Menah Motor Corps. The weekend was self funded by participants and Pres. David Vaughn and no net cost was incurred by the IASMC organization. The highlight of the weekend was transport of Imp. Sir. Mike Severe from the airport in his special "limousine" - the Al Menah Clown Car Jalopy! Having Fun and Helping Kids—It is what we do!

## Tuesday July 3rd "FUN RUN" Road Rally

On Tuesday, July 3rd, we will have a "Fun Run" Road Rally—open to all Shriners and their friends and families, whether on 2 wheels, 3 or 4.
