

### ***Forget-Me-Not Honorary Award.***

This award is a district award. Each club can nominate ONE member, if they so choose, to be considered for this. The nominations would go to the DD's. Each Director would then choose one 'District' winner. That person would be recognized at the convention by being announced and sitting at an honor table for Monday evening. A group photo will then be published in the KG with each winner's name, club, and service years, and special accomplishments. They will each receive a certificate honoring them.

Please use the GCFP award application, and insert the following information for each club's candidate.

Criteria for selection:

1. Member in good standing for 10 plus years
2. Active participation in club activities (meetings, design, horticulture) any or all of these
3. Active participation in club community activities
4. Regular attendance at meetings and functions
5. Promotes GCFP, CAR-SGC, & NGC values
6. Loves her garden, Big or small!

District Directors, applications should be received by deadline December 1. The DD's will then send the chosen Forget -Me-Not winner for their district to the State Award Chair by January 15th.

Please assist us in honoring some of these long- standing members that make our organization special for their club dedication and community service.
