## Plastics

Leaving the caps, rings and labels on plastic soda and water bottles is okay!

Recycle shampoo, conditioner, lotion and other cosmetics bottles and tubes.

Butter tubs, yogurt tubs and other plastic food containers are all recyclable.

Detergent bottles and even spray bottles can be tossed in your recycling cart!

Milk jugs and other beverage containers are recyclable.

## Paper

Recycle your daily or weekly newspaper and all of the inserts as well.

Magazines, catalogs and TV guides can all be tossed in your recycling cart too.

White, printer paper and colored paper of all colors and thickness is accepted.

Envelopes we accept: white letter, colored, manilla and even window envelopes.

We accept paperback books - those books which have a soft, outer cover.

## Boxes

Shipping, storage and shoe boxes can all be made into new cardboard.

Toss your empty cereal boxes into your cart with your other recyclables.

We now accept juice and milk cartons and soup and wine boxes!

Empty pasta and food boxes are recyclable forms of paperboard.

Not just the cans are recyclable; recycle the package for soda 12 or 24-packs too!

## Metals

Aluminum, tin and steel cans can all be recycled with the lids and labels still on.

Soda cans do not need to be crushed, just toss them in your cart.

Aerosol cans such as hairspray and spray paint are hazardous to landfills, recycle them!

Cat food and tuna cans can also be recycled with their lids and labels on.

Aluminum bottles can be tossed in your cart with caps, rings and labels on as well.
