

Introduction to Firearms ~ Adult

Classroom only

Time: 4 hours

This basic class will teach you how to safely handle and operate a firearm. We will cover terminology, equipment, safety rules, proper firearm handling, and safe storage of firearms and ammunition. You will be able to safely handle, load and unload (with dummy ammunition), transport and store a firearm when this class is finished. We will discuss pistols, rifles and shotguns.

Cost: \$125.00
