

Saint Olaf Catholic Church

Thank you to all our Volunteers!

At Saint Olaf Catholic Church and School we are blessed with wonderful volunteers. During this time of Thanksgiving we pause in gratitude to thank the many volunteers who serve humbly, joyfully, and faithfully in our Community.

Our dedicated volunteers have shared their time, talents, and love with our Church and School throughout the year. May the Lord bless your hands that serve, your hearts that love, and your willingness to say “sure, I can help!” — even when you probably meant to say, “ask someone else!”

Our volunteers have cooked, cleaned, pruned, mended, counted, installed, sang, organized, donated, prayed, and served to make our Parish and School Community feel like home. They show us what it means to live our Catholic faith in action. The countless volunteers and dedicated Parish Ministries have **crushed it** covering the countless unseen, thankless, and endless monumental (and tiny!) tasks behind running a Parish and School.

Your work reflects Christ’s love in real life, serving the people within our Parish Community. Your love and service is the heartbeat of this Parish Community. You turn ordinary work into holy work — and you make it look easy, even when we all know it’s not. May the Lord abundantly bless your faithful generosity.

Thank you to all our Volunteers!

~ With Gratitude, Father Andrzej and the Church Office Staff

“Well done, my Good and Faithful Servant.” – Matthew 25:23

Prayer for Volunteers

Lord, we Thank You for the willing hearts and generous hands of those who serve this Parish. May their efforts be fruitful, their spirits refreshed, and their laughter be a reminder that joy is the best kind of Ministry. Bless them abundantly for the quiet, faithful ways they make Your love visible in our Community. Amen.
