Be Safe

1. On fire-stop drop & roll
2. Remove any clothing that is not stuck
3. Immediately place under cool running water for at least 20 minutes
4. Cover the burn loosely with cling film or a plastic bag
5. Seek medical advice - NHS Direct: 0845 4647
6. Pain Killers

Never run the hot tap alone when preparing a bath - or leave children unattended
Keep Children out of reach whilst cooking
