Director's Report:

- I. Sales of the annual Save Around Coupon Books were very low this year with only four copies sold. We will continue to participate next year (it is free to do so), but we'll order fewer copies in the initial campaign.
- II. a. Regular programming resumes in February featuring crafts, Story-time, book bundles, and more. We're experiencing a high volume of interest in our craft events for adults, including both in-person and take home.
 - b. Our Story-time numbers are growing with the recent increase in baby and young toddler participation.
 - c. Coming up: Job Shadow a Librarian for teens 16-18 years old, allowing for an opportunity to learn basic library skills and more.
And this summer we will introduce "Dig, Discover, Read" to help prevent reading extinction over the summer months.
- III. This year the Director will be facilitating two in-person staff meetings, and sending two email based training / updates. In person staff meetings will take place in May and August, while email training will be sent in February and November

The next meeting is March 10, 2026 at 6 PM.

Respectfully submitted,

Anita McKnight, Secretary
