### **HARVEST YEARS SENIOR CENTER CELEBRATES 40TH ANNIVERSARY**

A group of 12 individuals lead by Mercedes Rafter broke off from Modern Maturity Center and started a Senior Center designed to be an organization where people 55 years of age and older could gather for social and recreational purposes as well as help other senior citizens in need of assistance.

"Seniors Helping Seniors" became the motto of the new organization. The members met at the First Baptist Church, 37 Bradford Street in Dover.

Harvest Years Senior Center Certificate of Incorporation was filed in the Office of the Secretary of State, State of Delaware at 9:00 AM on April 18, 1977. The incorporators were: The name "Harvest Years" was suggested by Edith Ruth and it was unanimously accepted.

Mercedes Rafter was the first Director and President of Harvest Years Senior Center. The Board of Directors included: Margaret Dooley, Joan Pote, Esther Berger, Secretary, Marie Lloyd, Treasurer, Greta Schneider, and Edna Kelly.

HYSC reported a membership of 56 and growing. The Shopping Program was initiated with a grant of \$3,000. Fundraising was vigorously pursued and sufficient funds were raised to purchase land on Walker Road. A property swap was executed which allowed HYSC to move its location to 21 Salisbury Road in Dover.

In 2001, HYSC began to look for an alternative site on which to build a new Center. Land was purchased in March 2003 in Camden. Ribbon cutting was held on November 21, 2005.

Presently HYSC has 700+ members. Our shopping program continues to serve the elderly all over Kent County.

From Our Executive Director  
Tom Bones  
2017

As we all begin to ring in the New Year and celebrate 2017, we must also bring our *Annual Giving Campaign* to a close. We have been so fortunate to have received the donations that we have. Every little bit helps to go further. If you have not already done so, and would like to, please consider contributing.

This winter would be a great time for you and other members to take advantage of the Transportation service here at the Center. Transportation can be provided for you back and forth to all of our lunches and daytime events here at The Harvest Years. Please call the front desk and arrange to be picked up on the days that you plan on spending with us.

Another program to consider taking advantage of is our *Shopper's Program*. We have very dedicated people that work for us to help you get your groceries and other errands if the need should arise. Please ask for additional information if this is something that would really assist you.

Your *Annual Harvest Years Membership is due by January 1, 2017*. The cost is \$15.00 per person per year. You may mail in a check or stop by our reception desk to renew your membership. Now would be the perfect time to ask new members to join as well.

On behalf of all of us here at the Harvest Years Senior Center, I would like to wish each of you and your families a very Happy and Safe New Year. May 2017 bring you all good things. Our members have done an outstanding job of supporting our center in 2016, and I am looking forward to much the same with a successful and prosperous year, throughout 2017.

*The Staff & Members  
of Harvest Years Senior Center  
send their sincerest 'Thank You' to  
the Newcomer's Bunco Group for  
your donation to our Center. It is  
very much appreciated by everyone.*

## Harvest Years Report, January, 2017

By Brian J. Bushweller, State Senator, 17<sup>th</sup> District

### Things to Watch For In the 149<sup>th</sup> General Assembly

Every January in odd numbered years, Delaware starts a new General Assembly. And, with each new General Assembly, there are both new and leftover issues to be debated and resolved.

The following is a small sample of the issues the Legislature will be facing when we return to work on January 10.

**State Budget.** Here we go again. Every year since the Great Recession, Delaware has faced a shortfall of revenue. Tax collections have fallen short of anticipated expenses. We have solved that problem with a mix of tax increases, spending cuts, programs cuts and budget transfers, all designed to meet our obligation to balance the budget each year. At this point, we have pretty much exhausted all the options but are again faced with an estimated \$167 million shortfall for Fiscal Year 2018. (FY 2018 begins on July 1, 2017.)

Further cuts now will dig deep into basic programs that are important to just about everyone. To avoid that, the General Assembly will likely consider additional tax increases. We will also consider proposals to shift costs to county and municipal governments and to school districts. Of course, to the extent we do that, we are forcing those governments to either cut into their programs or raise taxes themselves.

At the same time, we are still seriously damaging the ability of our casinos to stay in business – to continue providing significant revenue to the State – to continue providing more than 2,000 good jobs right here in Kent County. At some point, we have to understand that one reason why the State faces the budget challenges it does is that we simply take too much from the casinos. The fact is that instead of taking so much, if we took less now, we would not only protect those Kent County jobs, but we would get more revenue in the future.

**Minimum wage increase.** It is likely that proponents of a higher minimum wage will push for another increase. Delaware's minimum wage is already higher than the federal minimum wage. Historically, we have enacted increases every 5 to 6 years. The last raise was implemented on June 1, 2015, only 19 months ago. Proponents say it's time for another raise. Opponents say small businesses haven't yet fully absorbed the last raise.

**Right to Work.** Look for proposals to introduce the idea of Right to Work in Delaware. RTW makes it illegal to require union membership even when workers have voted in favor of the union. Proponents say it will encourage new business investment in Delaware. Opponents say it is just an attempt to destroy unions.

**Legalize marijuana.** Legalizing the personal, "recreational" use of marijuana is gaining favor across America. Expect to see such a proposal here at home this year.

**Special Election.** When Senator Bethany Hall-Long is sworn in as Lt. Governor in January, the Senate will be tied between Republicans and Democrats, ten to ten. A special election will be held in February to fill her unexpired Senate seat. Obviously, whichever party wins that election will control the Senate, eleven to ten. Democrats have controlled the Senate for forty-four years, since 1972.
