 - Advance payments can be as far ahead as you choose (term, month, two weeks, etc).

 - The payment for the missed day will be a credit to the next day your child attends.

 - The Form and fee(s) can be
 - 1) Turned in to your school office
 - 2) Sent with your child to school to bring with him/her on the Big Red Bus,

 - 4) Contact Susan with any questions about this process.
 - We coordinate with the school to pick up Registration forms, fees, and verify the participation list.

- My child is returning to the program for a second term during the same school year. Does the Registration Fee need to be paid again?
 - The Registration Fee is a one-time per school year fee, paid during the first session your student bowls with the After School Bowling Program. If your student is returning for a second session with their school, you do not need to pay the Registration Fee again.

SNACK CARD

- What is a Snack Card?
 - Snack Cards are gift cards to be used in the Café and to place a bowler's snack money on.
 - Snack cards can be purchased at any time and are refillable. Snack Cards with a remaining balance will be returned to the owner at the completion of the term.
 - Snack Cards are a great idea if children forget their snack money at home or at school. We prefer to hold onto the card at the center and inform parents when the balance is low.

EARLY DISMISSALS AND SCHOOL CLOSINGS:

- Does the Program still operate on Early Dismissals?
 - YES, the bus will pick up students at the time of the early dismissal. Program pick-up time will remain between the times of 4:30- 5:30pm.

 - If school is closed or dismisses due to weather, the After School Bowling will **NOT** occur.
