

Deputy Dog locks up Evelyn and Chuck Smith.

## RCAS fundraiser yields \$13,000

Randolph County Animal Shelter thanks everyone who donated to our Jail and Bail fundraiser on Nov. 7 at Bobber's Bar and Grill. We raised a little over \$13,000. We all had a great time and a lot of laughs. We would like to give Ashley Blankenship a special thank-you for hosting our event.

2020 did not start out the way we would have wanted it for the shelter. We had several maintenance issues we had to fix, new insulation was put in, we had to rewire our buildings and had to buy new kennels. But what a turnout we had with this fundraiser to

help us with all those expenses.

Thank you again to all the businesses that donated items for the raffle and even bailing out some of the participants, those who participated and raised their bail money and also those who came and help set up.

We are grateful to have friends like you all who help keep RCAS the best Lil' Shelter in the South.
