

## **Pulaski County Application for CARES Act Reimbursement**

The Coronavirus Aid, Relief, and Economic Security ACT (CARES Act) passed on March 27, 2020, and signed by President Trump, established the Coronavirus Relief Fund and appropriated \$150 billion to Coronavirus Relief Fund. This fund is to be used to make payments for specified uses to states and certain local governments. The State of Missouri received about \$2.3 billion of this fund and Pulaski County's share is \$6,171,851. Pulaski County will use the guidelines provided by the U.S. Department of Treasury and the State of Missouri in making awards of the funds received under the CARES Act. To ensure the project meets the guidelines for reimbursement, please complete this application, provide the necessary documentation, and sign the application prior to submission. Please review the list of eligible expenses (pages 4&5) prior to applying. Please note while businesses may be eligible for funding, the county has yet to determine that and a separate application would be used if a business grant program is established.
