Approved

Denial Explanation

*** Mail or drop off to David Lerew; Architectural Committee Chair, 1377 Sterling Drive**

*** Please Note:**

Any/all architectural improvements made to your home requires a township permit and approval from the Board. Attach a copy of the permit with this application.

Landscaping improvements do not require a permit but does require the approval of the Board.

The Board is allowed up to 30 days to review and approve your application. Request and submit early enough to allow for appropriate amount of time for the board to review.

Refer to Section 5: Environmental Control, of the Covenants for items A through F for guidelines.
