

JUNE
2016

Hi All,

Summer is almost here.....

Summer solstice is on June 20, 2016 at 6:34 p.m. EDT.

We have a few things going on, not much..... be careful out there it's getting hot and we have already had our first fire scare out here in South County, seems awful early for this to begin, so we all need to be careful...

Letty B! :-)

STRONG MEN WITH TRUCKS WANTED....

We need strong men with trucks this coming Saturday, June 11, 2016. We have a semi-truck hauling trap clays up to the trap house.... If you are able to help please show up at the trap house at 8am Saturday morning. I'll bring coffee and donuts to give you extra energy! We would really appreciate it if you could come out and help!

INTRODUCTION TO ACTION PISTOL

The next Introduction to Action Pistol Skills class is scheduled for Saturday June 11 starting at 8:00 am. It is listed on Practiscore for registration: www.practiscore.com. and search for EDRGC. Or, Contact Alec Libante for information. (916) 838-8535, alibante@aol.com

The purpose of the class is to give participants an introduction to basic knowledge and skills necessary to take a next step beyond the static range experience. To either participate in some type of action pistol competition and/or to just experience weapon handling in a more dynamic environment. The class starts with a short general discussion on the foundations of safety and weapons handling. Followed by 3 activities with discussions of specific skills accompanied by live fire drills to try them.

Material covered will include equipment, drawing from a holster from concealment, types of reloads, malfunction clearances, competition range commands and procedures, seated draw, turn and draw, tactical priority/sequence target engagement, correct use of cover, shooting while moving, reloading while moving, strong and weak hand shooting, and going through a doorway. If time and interest permit, we have a bit of fun after with a couple of moving targets. Moving things add another whole level of complexity that is common

in competition and the real world.

All this in a safe and non competitive environment, with a priority on giving you an introduction to some things you should never stop building and improving on.

Fee for the class is \$25.00. Bring at least 100 rounds of ammunition.

CHECK OUR CALENDAR FOR UPCOMING EVENTS

Make sure to check out the club website calendar. There are lots of things happening, and much more to come. Wobbles: May 7, 2016; Pocket Pistol Match: May 8, 2016; NRA Basic Pistol Course: May 21, 2016.

ANNUAL CLUB PICNIC
