NEWS

September 2016

Please remember all animals in town limits need to be licensed through SCRAPS and any building, fences, or digging need to go through town hall prior to starting. We are here to help in any way we can, if you are unsure if your project requires a permit, please do not hesitate to call us and ask.

Applications are now being accepted for the open council position! Applications can be picked up at Town Hall.

New and current residents, when reading your meter, please report ALL the numbers. Some meters have a permanent zero at the very end...that needs to be reported as well.

Monday, Sept. 19th is the **All Volunteer & Board Meeting Potluck**, 6:30 PM at the Food Bank 202 N. Railroad Ave. in Fairfield. Please RSVP if you will be attending to SHEILA DYER 283-4250. If you are interested in becoming a Volunteer, you can request an application from Sheila.
