CHLOÉ Olive Green "Mini Pixie Crossbody"

Retails for \$1550, sold in one day for \$799. 01/05/19

How adorable is this little rich green cross body purse? It is compact, hands-free and full of luxury details, all the best design elements for our best selling handbags. We love the combination of textures in the olive green grained leather with dark teal suede accents on front and sides. The combo of textures continues in the hammered brass top handles that lay flat along the purse when carrying crossbody. Flat gold studs adorn the front bottom edge as well as the sides and base of main body. A zippered top opens to a cream suede interior that includes one open slot style pocket.

BOTTEGA VENETA Dark Brown Woven Leather Shoulder Bag

Retailed for \$2200, sold in one day for \$649. 01/05/19

Only the most supple of leathers make the cut to be used to weave Bottega's 'Intrecciato' purses; and wow, this purse is soft! A rich deep dark brown leather is simply shaped in a comfy and roomy double handle shoulder tote style. A single hook strap connects side panels together at purse's magnetic clasp opening to keep your items more secure and the tote from becoming too expansive in width. Finished with gunmetal hardware and woven details on top shoulder strap, this purse will go with everything. Interior is lined in a cream suede with one zippered and one open slot style pocket. Designed in 2008, but with a timeless shape and is still in excellent condition.
