

## It all Starts Here

Remember, the first step in your relationship with God started with trust (faith). You had to trust Him to take your sins away. After all, it all started with Faith, and it is going to end with faith, *“For we are saved by hope: but hope that is seen is not hope... (Romans 8:24-25).*

Whatever you face today or in the days ahead...He is with you.... Knowing about God is one thing, but knowing HIM will change you. Friends, you do not need enormous faith, you just need to believe in Him.

Faith is far from just being some “subject.” Faith is your life line. Faith is personal. Faith is something that is yours, and yours alone. Faith can help you through troubling or confusing times. Faith always gives you assurance to carry on.

*Faith assures us of things we expect and convinces us of the existence of things we cannot see (Hebrews 11:1).*

I once heard something that made me laugh, but it was full of truth. “You cannot buy it, sell it or trade it in for a better model.” Your faith grows each and every time you TRUST God.

Your faith in him is either active or inactive. In other words, you either trust Him, or you don't. If you are anxious about something you are NOT trusting in Him. The Word is clear that we are to be anxious for nothing. If you are anxious you are not trusting in him. Which means, you don't have faith/trust in him to take care of it.

If you are worried about something, you are not trusting in Him, 1 Peter 5:7, tells us to cast our cares on him for he cares for us.

If you are fearful over something, than you are not trusting in Him (Revelation 21:8).

It is the lack of faith/trust that produces fear. Jesus made references to little or no faith (Matt 8:26, Mark 4:40).

God is faithful. You can trust Him. Faith allows God access to your situation. It gives him all rights into any situation and into your life.

Walking in faith is your choice. The truth of God's Word will always give you strength to keep going, even through the most difficult times. Everything is possible for one who believes.

In closing I feel strongly to tell you this:

**In closing I feel strongly to tell you this: Your faith is not in vain...You labor of prayer has not been in vain. He sees. He cares. He knows. He is with you. That the trial of your faith is more precious than of gold**
