

Dr. Mary Fisher & Dr. Andrea Hislop

---

Dear Patients:

We are doing our part to prevent the spread of COVID-19 by following the ADA guidelines and our governor's "Stay Home, Stay Safe" order. Since March 19, 2020 we have limited our office to teledentistry and are only seeing patients with emergencies. Feel free to call our office if you experience an emergency.

We are staying up-to-date and are currently implementing recommended changes to our office environment and patient protocols. When we do return to normal, we will continue to utilize universal precautions to defeat COVID-19. The health and well-being of our patients and our team members continue to be our primary concern. Check back here for future updates.
