

**SAVE THE DATE:**

**MARBLE WILDFIRE RISK MODELING PRESENTATION**

**Thurs, Sept 11**

**@ THE MARBLE**

**5 - 6:30 PM**

**FIRE STATION**

Join us for a presentation on Marble's wildfire-risk modeling project. Dr. Hussam Mahmoud will share initial wildfire simulations for the area, showing how fire could spread, which structures are most vulnerable, and likely fire boundaries. Community leaders will discuss how this information will guide mitigation work and evacuation planning.
