Well, we are now one sixth of the way through 2018 already and we have been too busy. But thanks to our members the events have gone really well. With the AKC Obedience/Rally Trials, UKC Agility Trials in January and February, you can see what I mean. Thanks everyone for making them run so smooth. Thanks for chairing to Donna Schmitt for the Agility Trials (3 days of them) and Linda Warn for the Obedience/Rally trials.

Lots of things are happening too at club. Classes are going well. We are in about the seventh week of the twelve week session. I know there have been days when the attendance was light as the weather played a big part in it. Hopefully, that is behind us now and we can be normal again. I know this past Wednesday classes were fuller as the weather was great.

The HEALTH CLINIC is coming up March 17th.

Spread the word to your friends and family as the prices are great and you don't have to pay for an office call which saves a considerable amount of money. Tara and Karen are working on this and will need help I believe, so contact one of them to put you down. It is a

fun day seeing all the dogs. Lunch will be available too.

A big THANK YOU goes to Joanne Peck and her little helpers for planning the 2018 banquet. We had some 44 certificates given out, but many more titles than that were achieved by our members in 2017. Approximately 117 titles were earned! You were busy. Everyone had a great time. Good to see all those members there.

You will be seeing some changes around the building. We have some elves making some long awaited changes and upgrading several things like the bulletin boards, etc. They will be asking you for pictures and articles to put there on a regular basis to keep all informed of what is happening in the dog world.

THANK YOU to your new Newsletter Editors -Kim Hanna and Lorene Schramm. This will be their first issue and as they say a work in progress. As I write this article I don't know what they have planned, but I am sure it will be great. If you have articles to share on different things, get them to them by the deadlines they have posted in this publication to make their job go smoother. Thanks gals for volunteering to do this job.

With that, I will go back on cougar watch. Yes you have it right, cougar watch. Supposedly there was one sited about 6 blocks from my house in eastern Brookfield. Not leaving the dogs out by themselves.

Any questions, comments or suggestions, talk to one of your board members. They are always open to good ideas to bring to your board.

-Joan Kaml

GOT NEWS?

Send news and photos for The Recall to:

wwcdtcnews@gmail.com

A big thank you to Joanne Peck and her crew for another fantastic banquet. The club looked really nice and the food was excellent, as always. I can hardly wait to see what Joanne has up her sleeve for next year.

A big congratulations to all of the members earning achievement awards this year. I think we had more this year than ever before. Keep up the good work, people. Of course, Joan deserves a big thank you for making up all of those awards. That is not a small task. By now, you should have all received your membership renewal notices. As you noticed, dues did go up this year. It is the first increase in over ten years. If your dues are wrong, please get in touch with me so we can get it corrected. I would ask that you complete the renewal notice and put it in my mail box. If you have dues to pay, please mail it to me. With all of the rentals in the building, I really don't like

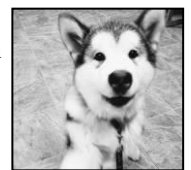

having that much money lying around. There is a question on the bottom of the notice about how you prefer to get your club information. This is just for the Board's information; we are looking at how to get news to the membership as quickly and effectively as possible. Even if you don't owe any money, please take the time to fill out the bottom of the notice so I can make sure all of your information is correct in the membership book. The sooner I can get all of the notices back, the sooner I can get the books printed and distributed to everyone.

On another note about your membership, we are an all-volunteer club. Everyone is expected to help out by working at a trial, run thru's, or one of our other events. I do keep track of this, and it is possible that if you don't volunteer for an event, we may exclude you from taking

classes next year until you do volunteer. The volunteer expectation is only a few hours on a Friday night or a weekend day. It is a great learning experience. The trials are a good time. You get to meet new people and socialize with other club members. We also would like to see you at the club meetings. Meetings are the best way to find out what is going on in the club, and if you have something you want to discuss, that is your time to do it. We always have very informative presentations before the meetings and, let's not forget all of the wonderful desserts the members make to share at the meetings.

In May, we have our most popular meeting. The Jefferson County K9 officers will give a demo that night. We look forward to seeing you at many of our upcoming events and meetings.

-Mark Christiansen

Obedience & Rally...

What's new in obedience and rally?

For Everyone....

On March 13, at our membership meeting, we will be showing videos of the new exercises for the Novice and Open classes. Changes will take effect May 1.

We will also be showing videos of dogs and handlers performing the master rally exercises.

Here is a chance to get your questions answered.

For Instructors...

There will be an instructors' meeting on March 16 at 6:30 pm. It will be a discussion meeting. If instructors want to continue to be instructors, they need to attend instructors' meetings.

Pet Health Insurance

As some of you are aware, my Border Collie puppy, Rayne, was diagnosed with hip dysplasia in May of 2017. The diagnosis was a total shock. I had purchased pet insurance for him in August of 2016, when he was 8 weeks and 2 days old, not knowing how soon I would need and use it.

I did not send in my bills to the company right away. I thought hip dysplasia would not be covered because it is typically a hereditary diagnosis. I called the company and talked to a representative (on call 24/7) and was informed that I should send the bills. In three weeks, I received a check which covered 80% of Rayne's medical expenses. Rayne gets a shot of Adequan each month. The

shot's cost is \$31.00, and Pet Plan Insurance reimburses us for \$24.00 of that cost.

What I have learned with this diagnosis is that there is a period of grieving to go through. It was hard to find out that my 11-month-old pup was dysplastic. We were referred to a rehab vet in Pewaukee. Dr. Morgan and her staff of rehab techs are amazing! Rayne sailed through his rehab and will continue to do exercises to strengthen his hips on both sides for the rest of his life.

The other lesson that I learned was not to neuter Rayne at an early age. The rehab vet prefers not to neuter if there aren't issues with "raging hormones." This is because male dogs' testosterone is

considered a lean hormone and helps the dog maintain a healthy weight. Dogs and bitches do not respond to hormone replacement very well, so for now, we will leave Rayne intact, hoping this will continue to work for him.

The pet insurance company I chose is Pet Plan Company from Pennsylvania. Their website is GoPetPlan.Com. I know there are many plans out there, but we are so happy with Pet Plan, I wanted to share our story with all of you. Our Teka is also covered under this company. The rehab vet says this is one of the best plans she has worked with. I did a lot of research on this company before buying the plans. Just ask me any questions you might have!

--Claudia Sonnenberg

Jefferson County Sheriff Thanks WWCDTC

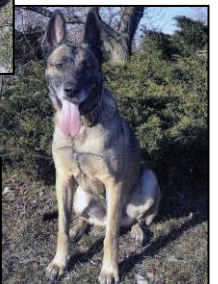

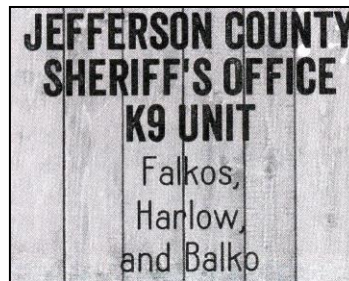

Paul S. Milbrath, Jefferson County Sheriff, attended the WWCDTC annual banquet, where he received a \$1200 donation to support the Jefferson County Sheriff's Office K-9 Program from our club. The donation resulted from the proceeds of our silent auction and raffle, held at the WWCDTC AKC Obedience/Rally Trial in November 2017.

The Sheriff's K-9 program is very successful and is primarily funded by donations like ours so WWCDTC's contribution was very warmly received. Our club members showed their true spirit by donating generously. We filled the auction baskets with great items, making the auction a huge success and resulting in the largest donation ever from our club to the K-9 program.

When you visit the club next, take a look at the lovely thank you letter we received from Sheriff Milbrath! It is posted on the bulletin board to the right of the door.

Mark your calendars to attend the May 24

membership meeting. Sheriff Milbrath and the K-9 officers will attend our May meeting to present our club with a plaque and do an educational presentation about the K-9 program. He has also offered to provide a basket for the 2018 auction!

Wagging Rights 2018

- ❖ Louis earned her Rally Excellent title at the Rally trial on January 6th. She is now known as Olde Fashion Rio's Day of My Delight, CD, BN, RE, CGC. I am proud of all she has accomplished and will hopefully move into a Rally Advanced Excellent title. -Mary Beth Breunig
- ❖ "Stryker" debuted in Utility (any venue) at the UKC trials the weekend of February 17 and 18. He came close to qualifying on Saturday, NQing only one exercise. Sunday, he qualified for his first leg with a score of 194. Great teamwork, Barb and Stryker! -Barb Duren
- ❖ Congratulations to Heelside's Short Circuit, aka Jolt, for earning her K9 UKC Nose work trial on February 10 and 11. She earned her AC (advanced containers search) and SC (superior containers search) as well as her AI (advanced interior search). In her superior search, her distractors were tennis balls and donuts, but this good little girl never even looked at them! -Dick and Barb Budny
- ❖ Moa's Living a Secret Life, aka "Louie", earned his UKC Novice title at the February 17 and 18 obedience trials. Way to go, Tara and Louie! -Tara Matusiewicz
- ❖ At the Bark River Dog Club Obedience and Rally trials February 17 and 18, Zoli earned his RO1 title with score of 99, 100 (3rd place), and 99. Thank you to everyone who helped me with my overly enthusiastic boy! -Cindy Falk
- ❖ Cheerio's I Am A Honey of a Bea, aka "Bea," earned her Rally Novice title at the January Obedience and Rally trials held at WWCDTC. Bea is owned by our own Joan Kaml, of course, and was handled by Kim Hanna. Congratulations to all of these ladies! Teamwork at its finest! -Joan Kaml
- ❖ What an awesome start to 2018 for Kurt & Bobbie Hackbarth and their 3 dogs. Each one earned a new title at the WWCDTC January 6 & 7 trials. We owe this success to the fantastic instructors at WWCDTC and helpful coaching by fellow members. Thank you!

Kurt & Tanner (Nalyn's Over N Over; Golden Retriever) earned 2 qualifying scores with placements at both shows and was awarded his Beginning Novice Obedience Title.

Bobbie & Remy (Dichi Anyone Can Cook CD, Golden Retriever), earned her 3rd qualifying score on Saturday and was awarded her Rally Novice Title. On Sunday, she earned her first leg towards Rally Intermediate and placed 3rd on time.

Never to be outdone, Raggs (Firefall's Ragg Mopp Esq.; Havanese) earned his 3rd qualifying score on Saturday for his Rally Novice Title. And again, on Sunday he earned his first leg towards Rally Intermediate and placed 4th on time (behind his pal, Remy).

These events inspired me to complete the paperwork for Raggs to be recognized for his past therapy work. He now holds the AKC titles THD & CGC (grandfathered back to 2012) and Therapy Dog International's TDIA award. Then one more surprise, the AKC issued Raggs a certificate for Achiever Dog on January 31, 2018.

Thanks again to everyone who helped and encouraged us with training these wonderful dogs. We can't imagine what will happen the rest of the year, for now the Hackbarth's are living on "cloud 9".

- ❖ **Brenna's Big Day!** On February 9, 10, and 11th, AG1, SHR, UCH Technique Go For Launch, AKA "Brenna" earned her "Total Dog" title at the UKC Dodge County Dog Club Show. She accomplished this by qualifying in Agility on Friday and winning Altered Best in Show on Sunday. But that's not all! Two of her grandbabies, 10-month-old pups, "Maddie," Traditional Celebrate Anew, and "Jasper," Technique Everlore Step Stone, earned their Champion titles. And - her son, "Quinn," Technique Final Quintessence, also became a Champion! A great time was had by her whole team, but Brenna had the best time of any dog entered. She remembered how to be a show dog again and basked in all the hoopla surrounding her achievements!

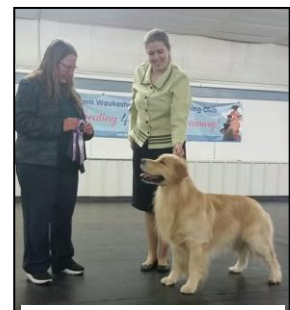

Brenna - owned by Jean Granger; handled by Katie Guse

Maddie - owned by Karen Szymanski & Josie Trad; handled by Lisa Conigliaro

Jasper - owned by Jean Granger, Jackie Kascht, & Pat Quinn; handled by Kerry Luderus
