**Founder and Owner of Injections by Vesper Gray  
Licensed Aesthetician and Medical Injectionist**

Hi, I'm Vesper Gray, a licensed aesthetician and medical injector with 9 years of experience helping people feel confident, refreshed, and naturally radiant. I specialize in facial injections and take great pride in offering a gentle, artistic approach that enhances your natural beauty without overdoing it.

Clients often tell me they feel seen, heard, and truly cared for in my space and that's exactly the experience I strive to create. Whether you're new to aesthetic care or simply looking for a trusted hand, I'm here to guide you through the process with comfort, intention, and integrity. Please call me at (303) 587-6173 ext.3 or visit <https://www.vagaro.com/vespergray> to book! I look forward to connecting with you!
