### President's Message

This month we played a Modified Pinehurst for 9 holes. It's a fun format, but sometimes confusing if you haven't played it in a while. If you ever want info in advance, the details for all our formats are online. Go to the web site at [elpradomensclub.com](http://elpradomensclub.com), click on **OUR RULES**, then **Tournament Formats**.

There you will also find our **Local Rules**, which cover all of our events. We recently updated them after several questions came up about tree removal and wood chips. While a tree is being removed and wood is piled for removal, the area is *Ground Under Repair*, and relief is available. But when the cleanup is complete, even if the stump is left behind, it's part of the course and no relief is given. When wood chips are piled up for storage or prior to spreading, they are *Ground Under Repair*, but once they are spread out as ground cover, they are part of the course, just like the rough.

This month we were faced with a small turnout for the tournament, resulting in paying only two teams per flight, and as you can see in the results, some very diluted skins payouts. The board considered playing in two flights, but elected not to because of the wide spread of handicaps that it creates. For example, the A flight would have had teams with combined handicaps ranging 1 to 24. Do we really want these teams in the same flight? I'm sure we will face this decision again, so please let the board know your preference.

Of course, the best solution is a larger turnout, and we can help with that by attracting more members. You may not realize it, but we have over 100 Associate members, who have a handicap but don't play in tournaments or skins games. On April 7<sup>th</sup> (Masters weekend), we've invited them all to come out and play in the skins game, and then hang around for tacos and TV in the 19<sup>th</sup> hole. We are also encouraging everyone to bring some guests – the more the merrier (and the bigger the pots). Ask Mike Muscare if you have any questions, sign up with John Kramer for Saturday Skins as usual, and be sure to put on your happy face for all the guests and associates!

On a personal note, I am thrilled to announce that El Prado member Brian Rief and his wife Heather welcomed the very early arrival of my first grandson Logan. I thank all of you that have been praying for them during a difficult pregnancy, and I have continued pass along your good wishes.

Regardless of the conflicts we deal with, or political differences, or all the trash talk we give each other, I'm always impressed with the compassion shown by our members when it comes to the really important things in life.

Mark Rief  
President

## Tournament News

### President's Cup Qualifier

We managed to get in four flights , 7 teams per flight, for a total of 56 players. The weather co-operated just enough to allow us to get this one done. It seems that we had a fairly competitive field and there were tons of skins payouts. We paid 16 players in for 1<sup>st</sup> and 2<sup>nd</sup> place finishes with a total position payout of \$1,080.00. A flight went to Kirk Dance/Mike Cole (67), B flight Tim Sleeper/Dan Hughes (65.5) , C flight Steve Koch/Luis Alva (59) and D flight John Pacheco/John Agan (65). Congratulations to all the winners. Check out the rest of the winners on the results page.

The following is the next three month tournament schedule:

April 14	5-4-3 Out (T) (WT) (1C)
May 4 - 5	El Prado Getaway Classic – Laughlin
May 19	2 Man Modified Pinehurst – (T) (WT) (PP) (8)
June 16	2 Man Scramble – (T) (WT) (PP) (8)

Next month our Tournament is 5-4-3 Out. This is basically where you play your own individual ball, and at the end you get to subtract your worst par 5, par 4 and par3 from your total. We should start to be seeing some nice spring weather and the courses are greening up and looking very good. This time of year we normally are on one course due to aeration schedule. I have not received any word on the aeration schedule. As of now, we are scheduled for only one course.

I hope we can put together a large field for this format so sign up early and as always put your requests in and I will do my best to honor your request.

Dave Cox - Tournament Director

- Guests are welcome and male guests are eligible to cash gross skins and closest. Subtract \$40 from price list on entry form for guest and call me for a price if female golfer playing).

**Prize Money**

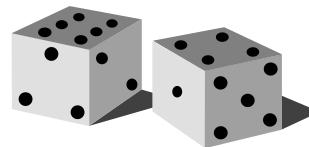

Other than rooms and golf, the major expense is the awards ceremony/ buffet —please check "no" on the entry form if you do not plan to attend because I have to pay in advance. No cost for significant other for Awards Ceremony but \$30 for each additional guest. The Aquarius is the host hotel - encourages socializing and fun there but you have the option to make your own hotel reservations. After room, golf, and awards ceremony costs, the remainder of the entry fee goes into prize money and allows for substantial payoffs in each flight and very sizeable skins pots. For the Thursday skins game, \$59 goes to green fees and \$10.50 into gross and \$10.50 into net skins pot.
