Tons of Love in Every Wub!

2024 Products

THE WubbaNub Story

Years ago, my family embarked on our first vacation. With my newborn son, Bret, in tow, we looked forward to a relaxing week away from home. Baby Bret, however, was unable to relax without the comfort of his beloved pacifier. His pacifier was difficult for his tiny hands to grasp, and he dropped it often. Faced with a tearful child, I desperately needed a way to ensure that he was able to keep his pacifier nearby. His favorite soft plush toy caught my eye, and I grabbed the hotel sewing kit. In a moment of inspiration, I sewed his pacifier onto his plush, and the first WubbaNub was born.

When I started the WubbaNub brand over 20 years ago, my mission was to provide comfort and happiness to babies and their families. I'm still so proud of the positive impact our original Plush Pacifier has had on infants and their families all over the globe. So when the WubbaNub community asked us for a detachable pacifier option that could grow with their little ones, we jumped into action! Through innovative thought and testing, we're so proud to share with you our new WubbaNub Detachable Plush Pacifier and WubbaNub branded pacifier that launched this year.

WubbaNub is often one of baby's first friends in life—thank you for making us a part of your family.

Tons of Love,

Carla Schneider
