

## Jimmy, Jim

Nobody ever sings low anymore.  
It's not in their range.  
They're not strange.

Nobody ever sings slow anymore.

Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jim  
Jim, why did you go,  
When knew we would miss you oh so sadly?

Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jim  
Jim, how could you go,  
When we need you on the radio so badly?

Nobody ever sounds blue anymore.  
Except from time to time  
When they hit a good line.

Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jim  
Jim, why did you go,  
When knew we would miss you oh so sadly?

Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jimmy, Jim  
Jim, how could you go,  
When we need you on the radio so badly?
