

April 5th 2010

WLHA Members:

As you may or may not be aware, George Randall had passed away in January 2010. He was one of the original members and officers of our association (most recent the Treasurer). He will be greatly missed.

Our next meetings will be:

Memorial Day Weekend (5-30-10) - Sunday 1:00 pm at the pavilion

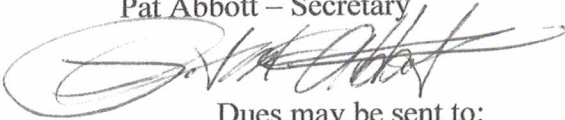

4th of July Weekend (7-4-10) – Sunday 1:00 pm at the pavilion

Labor Day Weekend (9-5-10) - Sunday 1:00 pm at the pavilion

It's important to attend and be apart of what is going on with our association. Ideas and input is what we are looking for with also volunteer help. As you know the association is non-profit, dues and volunteers keep it going. For example keeping the beach area, picnic area, and channels for our boats clean so they can be fun and safe for us and our families. **Dues are \$20 per year**; this is what we depend on to keep our association going. Any extra would be appreciated. We hope to see you at the meeting in May.

Thank-you,

Pat Abbott – Secretary
