Time flies! Summer is quickly turning to fall with a greater emphasis on gardening during the cooler months ahead. We hope you have had an enjoyable summer and found creative ways to cope as we continue to maneuver our way through the pandemic.

GARDEN CLUB MEETINGS

The Lakewood Forest Garden Club plans to resume regular meetings on the first Friday of the month starting in September where plans are laid out for the upcoming year by our leaders.

FALL PLANT SALE

The time is almost here for the garden club annual fundraiser. The Fall Plant Sale is the only fundraising project done by the club each year and it helps us support the many charities and organizations in our area like the ones listed in last month's publication. Vouchers for plants, fertilizer and mulch can be purchased from members of the garden club the beginning of October and redeemed at Plants For All Seasons at their Highway 249 location. They can assist you in picking the groupings of plants that will look wonderful and give great color to your yards this fall and winter.

Some nice things about the voucher sale are that you do not have to pick up all of your purchases at the same time, flats of bedding plants can be mixed and matched, and the nursery has worked with the garden club on this project for many years making it an easy and pleasant transaction.

For more information about the Fall Plant Sale, please contact Becky Bailey at 713-306-8707. We truly appreciate your support of the Lakewood Forest Garden Club.

HUMMINGBIRDS

A hummingbird darting in the garden or sipping at the feeder is a delight! The southern migration of hummingbirds through Houston begins in August and lasts longer than the spring migration. Clean hummingbird feeders along with nectar flowers keep them coming back to your yard. They feed on blossoms that are rich in nectar and tubular in shape – whether they are red or not!

Here is a list of plants that are good for attracting hummingbirds:

- Cardinal flower (*Lobelia cardinalis*)
- Bee balm (*Monarda didyma*)
- Butterfly bush (*Buddleia davidii*)
- Trumpet vine (*Campsis radicans*)
- Honeysuckle (*Lonicera sempervirens* “Magnifica”)
- Lantana (*Lantana camara*)
- Fuchsia (*Fuchsia*)
- Rose of Sharon (*Hibiscus syriacus*)
- Impatient Lucy (*Impatiens*)
- Salvia (*Salvia nemorosa*)
