in collaboration with

Presence Saint Joseph Hospital • Chicago, Illinois

Unparalleled excellence in medical education -- ACLES

ACLES programs are medical educational experiences like no other! You'll find no other courses in foot and ankle surgery that compare with the high-level collegial experience ACLES meetings provide. You'll train and consult with the nation's leading educators and practitioners of lower extremity medicine and surgery in a relaxed, intimate environment that promotes engagement between presenters and attendees.

This program features regular opportunity for one-on-one learning in structured lecture sessions, discussions, and workshops. Course content addresses every aspect of lower extremity surgery, from diagnosis to post-operative care.

The wide-ranging content enables experienced professionals to stay current with trends and developments in the field, and allows most physicians to acquire their annual requisite CME credits.

MEETING HIGHLIGHTS

The ACLES 2018 18-hour program features content from physicians from across the country, noted for their significant contributions to foot and ankle medicine and surgery. Special events and presentations include...

Resident Poster Presentations, Dinners provided Friday and Saturday evening and Breakfast Saturday morning.

Become a "Physician Certified in Wound Healing" by the Council for Medical Education and Testing (CMET)

ACLES is proud to offer the opportunity to acquire certification as a "Physician Certified in Wound Healing". The Council for Medical Education Testing (CMET) is the most recognized certification of its kind in wound care, and the only organization providing physician-specific certification for all prescribing physicians (MD, DO and DPM). To register, see details on the registration form.

RICHARD BENJAMIN, DPM, FACLES,
DABLES

is a past president and a former executive director of the American Association of Podiatric Physicians and Surgeons. He currently practices in The Villages, Florida. He also is a consultant and an Attending Podiatric Surgeon at the Ladistan Clinic, Kiev, Ukraine.

ALAN BULBIN, MD

currently serves as the Director of Infectious Diseases and Antimicrobial Stewardship at St Francis Hospital in Roslyn, NY. After completing his fellowship at NYU, he has been a partner for the past 25 years at North Shore Infectious Diseases Consultants, a private practice in East Hills. His broad interests include stewardship, management of sepsis, complicated bacterial infections, and HIV. Most recently, Dr Bulbin published on the treatment of multidrug resistant Klebsiella (KPC). He enjoys leadership roles in hospital administration, lecturing, and primarily, direct patient care.

ROBERT BUSCH, MD

is Board Certified in Internal Medicine, Endocrinology & Metabolism and is in private practice as a founding member of The Endocrine Group in Albany, NY. He is also an Attending Physician (and past Chief of Endocrinology) at St. Peter's Hospital and the Medical Director at the Diabetes Treatment Center in Albany Memorial Hospital. He is a faculty member at Albany's Hudson Valley Physician's Assistants Program and on the Board of Trustees of the Albany College of Pharmacy. His publication history is extensive and includes several pieces regarding patients with type 2 diabetes.

DAVID NOVICKI, DPM, FAPWH

is an assistant professor of surgery, Yale University School of Medicine, Department of Orthopedics and Rehabilitation. Current chairman of the Board of Trustees, Temple University School of Podiatric Medicine. Past president of the American College of Foot and Ankle Surgeons. Past president of the American Board of Foot and Ankle Surgeons.

BRYAN C. MARKINSON, DPM

is the Chief of Podiatric Medicine and Surgery and Associate Professor in the Leni and Peter W. May Dept. of Orthopedic Surgery of the Icahn School of Medicine at Mount Sinai in New York City. He is certified by the American Board of Podiatric Medicine. Dr. Markinson founded the Podiatric Pathology service at the Mount Sinai School of Medicine. Currently, he is an instructor in the Department of Dermatologic Surgery and Team Member of the Skin Cancer and Melanoma Unit of the Tisch Cancer Center. In 2004, he was elected to the Board of Trustees of the Council for Nail Disorders, a position he still holds. His areas of special interest are skin and nail fungal infections, pedal melanoma, soft tissue masses, pedal dermatitis, longitudinal melanonychia, and podiatric dermatological risk management.

JAMES DEJESUS, DPM

is Board certified by the American Board of Podiatric Surgery. He is currently the Chief of Podiatric Surgery at St Mary's Hospital in Waterbury, Connecticut. He is also the site director at Naugatuck Valley Surgical Center for the Yale Podiatric Surgical Residency program. He is on the executive board for Naugatuck Valley Surgical Center in Waterbury and also co-manager for the surgical center. Dr. DeJesus is vice-president of the Connecticut Podiatric Medical Association. He is a member of the American College of Foot and Ankle Surgeons and the American Society of Podiatric Surgeons. He is an active consultant for Arthrex Corporation and is on the medical education faculty of Arthrex Distal Extremity Division.

ALLEN MARK JACOBS, DPM, FAPWHC is in private practice in St. Louis, Missouri and is an adjunct associate professor at St. Louis University School of Medicine. He is board certified in reconstructive surgery of the foot and ankle by the American Board of Podiatric Surgery, and is a Fellow of the American College of Foot and Ankle Surgeons. For 25 years, Dr. Jacobs served as a Director of Podiatric Surgical Residency Training, and has also served as a contributing editor to the Journal of Foot Surgery, and as the Scientific Chairman of the American Podiatric Medical Association. He has published over 80 scientific articles in various publications and 17 chapter contributions in various textbooks. He is a nationally recognized author, researcher and a noted authority of surgery of the foot.

WILLIAM J. SARCHINO, DPM, FAPWHC, FACES, DABLES

President of the American College of the Lower Extremity Surgeons. Residency director, Southwestern Vermont Medical Center.

SCOTT R. ROMAN, DPM, FACFAS

is a Diplomate of the American Board of Podiatric Surgery. He joined Ankle & Foot Centers of Georgia in 2006. Dr. Roman continues his commitment to the ongoing education and advancement of foot and ankle surgery with his active involvement in the local residency training program. He also lectures across the country as a faculty member and past chairman of The Podiatry Institute, a non-profit education foundation recognized internationally for its leading role in the advancement of podiatric medicine and surgery. He has made his personal contribution to surgical advancements in podiatric medicine through medical research and design, currently holding six patents in fixation and implantation devices.

JAMES WANG, DPM

is a board certified podiatrist who specializes in deformities and injuries of the foot, ankle and lower leg. He is highly regarded for his pioneering surgical techniques in sports medicine using minimal incisions that may be associated with a quicker, less painful recovery which allows patients to walk immediately. Dr. Wang has published peer-reviewed papers in podiatric and orthopedic journals that demonstrate how painful deformities can be corrected with minimal incisions which facilitates immediate walking and facilitates rapid healing. Dr. Wang has also lectured nationally and internationally on the treatment of deformities of the foot and ankle.
