## Learning Objectives

### *Feeding w/Dr. Dolezal*

1. Name and identify common barriers to progress with feeding-programs for learner with special needs
2. Identify strategies for overcoming these common barriers
3. Discuss strategies for working effectively with an interdisciplinary team to address problematic behavior deficits/excesses

### *Ethics w/Dr. Rosenberg*

1. Discuss current ethical issues related to treatment of clients
2. Discuss current ethical issues related to multiple-relationships and social media
3. Use a practical “Ethical Decision Making” tool to determine appropriate responses to challenging ethical issues
