Dear New Song Fellowship,

We will meet for service on Sunday at 10am, implementing the following safeguards:

- 1) Wear a mask, if desired.
- 2) Maintain a social distance. May leave the door cracked for ventilation.
- 3) Wash hands before and after the service.
- 4) Very important: *Any who have a cough or fever, please refrain from coming to church.*
- 5) (When weather is appropriate) We will leave the front door open for fresh air - studies show that fresh air is a natural disinfectant.
- 6) Last but not least: Join us in prayer! We are praying for health for all: members of New Song Fellowship and the students/families, and teachers of The Harmony House.

We will be observing Communion on the 4th Sunday.

God is sovereign over all, even this virus. We are praying for health for all who are associated with New Song & The Harmony House!

Peace to you and yours,

Heidi Truitt

Co-Pastor, Worship Leader
