

THE 13TH KING OF ISRAEL

The purpose of chart is to correlate the first 13 Kings of both the Kingdoms of Judah and Israel with that of the first 13th 'Kings' of modern day Israel in terms of its Prime Ministers since 1948. This study suggests that perhaps the 13th Person to rule the modern State of Israel will have a parallel destiny in terms of what the number 13 means, what the term might represent, and if it could be associated with the last Ruler of Israel before the rightful King of the Jews, Jesus returns. For the purposes of this study, the Persons holding the office of Prime Minister will be likened to that of the ancient Kings of Judah and Israel. Why the 13th King? Israel is on the verge of having a 13th Person be Prime Minister or Ruler and will pass the 70th year time marker since 1948. Many who study *End Times* suggest that a convergence might be underway. This theory is assuming that the current Israeli Prime Minister, Benjamin Netanyahu will not be the 13th Person for prophetic reasons that this study will present. Whomever the next Person after Netanyahu will be, he will constitute the 13th Prime Minister or 'King' of Israel. The question this study will seek to consider is, would or will the 13th Person be the coming AntiChrist? This is not to say that the next Prime Minister will be the actual AntiChrist but that in some manner, the geo-political landscape of the entire Middle East and in particular, that of Israel will foster such a Ruler, or need for one. A lineup of the modern Israeli Prime Ministers will be shown how they parallel the first 13 Kings from both the Northern Kingdom called Israel to the first 13 Kings of the Southern Kingdom called Judah. Why the 13th King and 13th Prime Minister?

SOMEONE ELSE COMES IN HIS OWN NAME, YOU WILL RECEIVE HIM

Netanyahu, that started the 33rd Government of Israel will tie Ben-Gurion to become the longest serving Prime Minister in modern Israel's history. He will break that record for himself one day later on July 17, 2019 when elections are scheduled to be held. Herein is another clue in that the number 13 resurfaces in the lineup of Israel's modern day Rulers of 'Kings' perhaps.

This correlation is not to implicate Netanyahu as the coming 13th King of Israel, especially if he loses the election in 2019. Regardless, he cannot be the 13th Person based on the lineup of only Persons holding the office. However, it is intriguing that Israel's modern 'Kings' started with a 'David' and lasted 13 years. Could such a form of government also end with such a duration of also a 13-year Ruler?

As noted, this study suggests that perhaps the coming 13th Ruler or 'King' of the modern State of Israel could very well be the coming Leader that to Bible-believing Christians will be the AntiChrist but to the Jews, in general will be the coming of the Messiah. In particular, as the division of ancient Israel started with Solomon, this study also suggests that a mirror of such a Ruler and King will be fulfilled in the coming AntiChrist false Messiah. In what way?

SOUTHERN KINGDOM: JUDAH

If by coincidence or not, there have been 12 People so far that have been Prime Ministers of the modern State of Israel since 1948. The lineup will only note those Persons in sequence when they first ascended to the office. It is not based on a time sequence but on only how many Persons have occupied the office of Prime Minister of Israel regardless of any reconfiguration of a government or subsequent re-election at a later point in time. The parallel lineup of the modern Rulers of a united Israel starts with the divided Kingdoms that came only after the 1st 3 Kings of Israel, that being Saul, David and then Solomon. Up until King Saul, Israel was a Theocracy, meaning that there was no earthly King of Israel, except YHVH Himself. His Laws for the Kingdom were communicated through the *Tabernacle of Moses*. This form of divine government was managed on Earth through YHVH's Prophets and the Priests, etc. The timely discovery of the Seals of a 'Christ' or Messiah Kin of Judah and Prophet echo the destiny modern Israel will have with a coming 'Anti' Christ and 'false' Prophet as a possible signal and antithesis during the Time of Jacob's Trouble.
