Grace & Peace : From the Pastor's Desk

Pastor Karen will be on vacation September 9-16

Psalm 30:4

Sing praises to the Lord, O you his faithful ones, and give thanks to his holy name.

When I was guest preaching at Luther Memorial, I was surprised to find they sing a “contemporary” hymn for the doxology... the time when the offering is brought forward. Henry Smith wrote “Give Thanks” in 1978, and it was recorded by Don Moen in 1986 which made it popular throughout the world. I guess “contemporary” doesn’t make it new!

The lyrics are a good fit for an offertory because we give thanks for what God gives us. Give thanks with a grateful heart Give thanks to the holy one Give thanks because He's given Jesus Christ, His Son. And now let the weak say I am strong Let the poor say I am rich Because of what the Lord has done for us Give thanks.

It is also a good song for us to recall in November, a month of when we give thanks. Thanksgiving is a demonstration of gratitude for what God has done for us, not what we have done for ourselves. It is a demonstration that we realize we rely upon God for all the good things in our lives.

But what happens when things don’t go the way we expect them to go? What happens when things get difficult and we feel as though it’s never going to get any better? We continue to give thanks to God. We show gratitude because God is good. And even when we are feeling low, giving thanks makes us happier. It’s not a sudden overwhelming feeling of happiness, but a slow movement away from suffering.

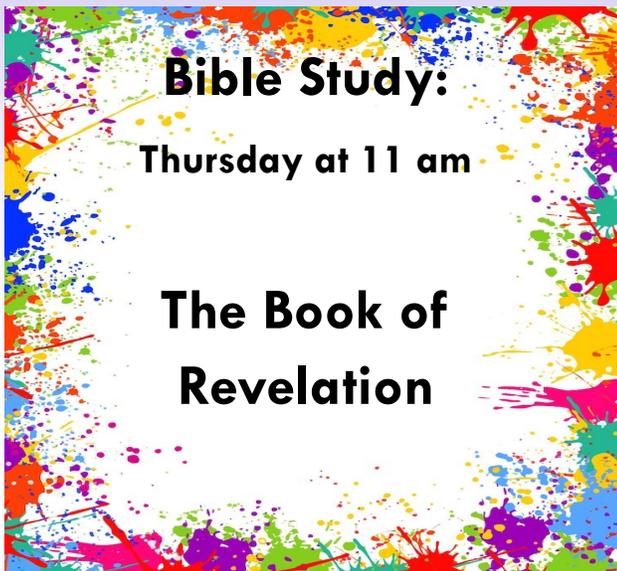

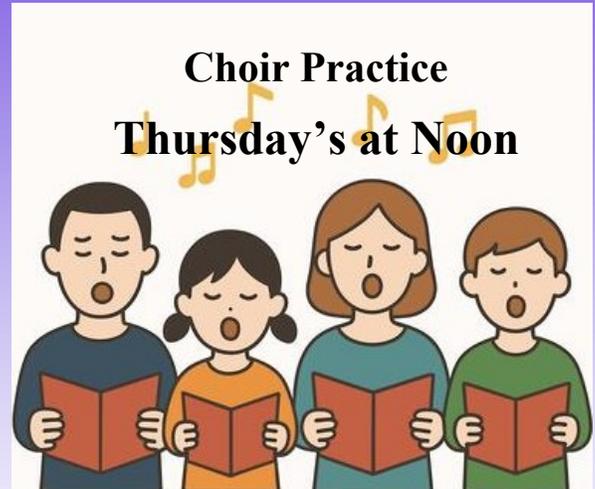

Gratitude not only helps your mental wellbeing, but it has also been shown to enhance our physical health: It has been proven to lower blood pressure and even prevent physical ailments. When our hearts are grateful, we are more loving, compassionate and empathetic. (These, according to Jesus, are good things.) relationships are enhanced and it is easier to form new friendships when we demonstrate these qualities.

To learn to be grateful in all circumstances is important for moving forward. When we shift our attention from what is lacking to what good surrounds us it decreases negativity and fosters a sense of peace. Sometimes our plans for Thanksgiving dinner are so demanding that we lose that sense of peace and feel overwhelmed. Instead of allowing this to happen, for Thanksgiving dinner or anything else, spend the time leading up to the event by giving thanks for what God has given. It will allow your life to be far more enjoyable than frustrating or sad.

As always I’d love to hear from you. I should be back in the office very soon however please call or text my cell 724-557-2386 anytime. And thank you to all who sent me get well greetings, I am grateful for your thoughts and prayers.

Grace and Peace,

Pastor Karen

Just a reminder that the first Sunday of each month is coffee hour! Meet up in the lounge following worship to share conversation and a steamy cup of coffee with your Immanuel Family! EVERYONE is welcome!!!

Updating the Church Constitution

Because I wasn't able to attend October's Church Council meeting I am, with Brenda Durst's approval, sharing the minutes from the Council meeting regarding the portion which relates to the Congregation Constitution:

“Bishop Papson led us in a review and side-by-side comparison of Immanuel Lutheran Church's Constitution and the Model Constitution approved by the Synod for 2025. The following is a list of comments, questions, clarifications, and recommendations that came from the discussion.

- A. Wording and structure changes between the two were noted.
- B. Congregational Council can hire/terminate church employees, with the exception of the pastor. This must be in partnership with the Bishop, Synod, and local congregation.
- C. There are separate contracts for full-time Ministers of Word and Sacrament and part-time interim Pastors. Part-time pastors are constrained by time in fulfilling all pastoral responsibilities, therefore, a reasonable prioritized list of responsibilities should be part of the interim part-time contracts.
- D. Pastors are responsible for maintaining church records, as well as, submitting an annual report to the Synod.
- E. The Synod no longer inherits church buildings vacated by a congregation that is disbanding. The Synod is willing to assist with Holy Closures, but it is not required.
- F. In section C9.03, item 8) was added to give pastors the authority speak out publicly on issues of social justice without suffering criticism for being political.
- G. Sections C9.21 through C9.31 were added to spell out procedures and responsibilities for congregations who call deacons to leadership. Deacons are ordained as Word and Service Ministers.
- H. Debbie recommended that an audit of the church records be scheduled.
- I. At the next Congregational Council meeting, we will discuss Chapter 11 (Officers) from both constitutions.”

Thanks for taking the time to read this and for having interest in our church

Pastor Karen

MONTHLY FELLOWSHIP LUNCH
SATURDAY, NOVEMBER 15, 2025
NOON

This will be our first monthly fellowship lunch, November 15th at Noon!

The point of the fellowship lunch is to bring the members of our church together to sit and share a meal and conversation. To share prayer, encouragement and to learn a bit more about one another.

Fellowship meals help to build bonds and relationships as you get to know your church family members better. Fellowship meals have been around since the earliest Christians in the First Century AD. We are bringing this tradition back to our Immanuel Family!

Immanuel is a loving family and what better way to spend a few hours than sharing a meal with your family?!

Our luncheons will all be a dish to pass. If you are able to bring something to contribute to the meal, please do so. If you would like to come and you need a ride, PLEASE reach out to the church office at 814-833-4062 and we will arrange to make sure you are here to share in the festivities.

****PLEASE, WE ASK THAT YOU ALL JOIN! EVERYONE IS WELCOME!****

West Millcreek Food Pantry Thanksgiving Meals for Families in Need

Each year Immanuel partners up with the West Millcreek Food Pantry to put together Thanksgiving meals for local families in need. The Food Pantry relies on the donations of local churches and businesses to make this possible.

This year Immanuel Lutheran will be supporting the West Millcreek Food Pantry's Food Drive by providing **instant mashed potatoes**. The Food Pantry is looking for instant potatoes to provide for the families in need who will be partaking in this Thanksgiving meal.

Let's help make the Thanksgiving holiday special for those families who otherwise would not be able to celebrate. Your donation of **instant mashed potatoes** is greatly appreciated.

The collection will be through **November 17th**. There is a collection box near the Donation Station. Be sure to get your donation in by **November 17th**.

ANNUAL MITTEN TREE

Our Mitten Trees are going up on November 16th!!!!!! This is our annual collection event to help the children of Bethesda.

We are collecting: mittens, hats, scarves & gloves to help keep the kids warm!

You can drop your donation at either the tree in the Narthex or the one in the Lounge.

Let's make this another successful year for donating to Bethesda and for the kids!

~~ Thank You ~~

On September 28th Immanuel Lutheran held a Blessing of the Quilts. The Ladies Close Enough Quilting Group worked diligently throughout the year to make quilts to donate to Lutheran World Relief.

Our ladies completed 122 quilts this year! Immanuel Lutheran and a collection of other Erie Lutheran Churches had 56 boxes of quilts that were transported to Zelenople. There were a total of 168 quilts (122 donated by Immanuel), 94 personal care kits, 2 baby kits, 34 school kits 144 hygiene kits (going to Church World Services).

A big thank you to Stan Holsopple and Dave Eckman who transported all the boxes to Zelenople! Once the boxes were delivered to Zelenople, they are trucked into Baltimore to the Lutheran World Relief Warehouse.

These beautiful handmade quilts and all of the kits are sent to those less fortunate here in America, as well as overseas.

Thank you to Close Enough Quilting for your beautiful work!

All Saints' Day

We remember the saints and allow the memory of their faith to spur us on to deeper worship and greater service to the Lord. *All Saints' Day*, also known as *All Hallows' Day*, is a Christian celebration in honor of all the saints from Christian history that is observed on November 1st in Western Christianity. All Saints' Day is a Christian memorial day celebrating the honor of all Church saints,, whether known or unknown. It is a day set aside to honor all the saints who have lived righteous lives in accordance with Christian teachings. All Saints' Day is part of a broader tradition that includes All Hallows' Eve on October 31st and All Souls' Day on November 2nd.

Who are the Saints?

Sainthood isn't limited to those recognized by a group of religious leaders. It is granted by God Himself to any common, salt-of-the-earth person who simply trusts Christ (1 Corinthians 1:2).

"To the church of God that is in Corinth, to those sanctified in Christ Jesus, called to be saints together with all those who in every place call upon the name of our Lord Jesus Christ, both their Lord and ours" (1 Cor. 1:2).

How to Celebrate All Saints' Day

The 1662 Book of Common Prayer says the holiday stands for "the unity of Christians of all ages, countries and races in Christ, and the perfection of unity in heaven." IT dates the holiday back to about A.D. 610 when the Pantheon in Rome, turned into a Christian Church, was dedicated to all saints.

The Bible doesn't tell us to pray to the saints (Matt. 6:6) or through the saints (1 Tim 2:5). Hebrews 11 gives many examples of the great cloud of witnesses whose lives tell of God's unfailing love and grace. These saints speak from the past and are whispering at this moment,,

"God is faithful."

"The Lord is good. Trust Him."

"His grace was sufficient for me in my trials and is sufficient for you today."

There is a hymn that is traditionally sung around All Saints' Day call "For All the Saints." It encourages believers to look back through the years of Christian history and think of the millions now enjoying rest and salvation in the presence of God. It's also meant to encourage believers here and now to press on, looking forward to the glorious day.

How about you? Do you tend to view yourself as an isolated Christian? Think about your connection with all of God's saints by reading through the hymn "For All the Saints."

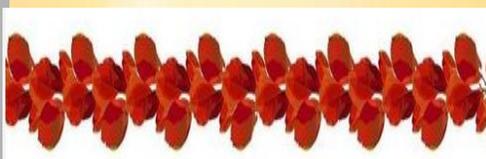

Let's all remember our Immanuel Family who are "shut-ins" or may be having some health issues and are unable to make it to church on their own. Maybe you could offer them a ride. Take a moment and give them a call to just let them know you are thinking of them and to brighten their day. Drop a card in the mail, everyone loves to get something besides bills in their mailbox! Just share a moment of your time.

The current Shut-In Mailing List is in the office and also on the bulleting boards.

If you are sick or in the hospital, please notify the church office, so that we can add you to our prayers.

If you would like Pastor Karen to give you home communion or stop and pray with you, please contact us and let us know!

I

Lord

help me to remember
that nothing is going to happen
to me today that you and I
together can't handle.

November is the month that most people think about gratitude. Maybe it has something to do with the Thanksgiving holiday. The Bible reminds us that gratitude isn't just for the easy days, but most importantly for the days that we face struggles. Sometimes when we are in the midst of our struggles it is difficult for us to be thankful for the blessings that we do have. We need to take the time to acknowledge all of our blessings and to share those blessings with others.

For the month of November jump on this challenge! Every day sit down and write about gratitude and at the end of the month, on bad days, or next year take the time to reflect back on your true gratitude. Gratitude opens our eyes to God's presence, steadies us in trials and softens our hearts to receive joy in unexpected places. It helps us to see that we can minister to others and share our faith with those who are wavering in their faith and questioning God's presence in their lives.

These journal prompts will help get you started through a month of practicing thankfulness. Not just in the big, exciting moments but also in the small and seemingly ordinary everyday ones too. It will help you open your eyes to **all** that you have to be grateful for.

"Oh give thanks to the Lord, for he is good; for his steadfast love endures forever!" – Psalm 107:1

List 3 ways you've experienced God's steadfast love this week.

"Offer to God a sacrifice of thanksgiving." – Psalm 50:14

Take a few minutes to write a prayer of thanks for something that has felt tough to offer to the Lord.

"I thank my God in all my remembrance of you." – Philippians 1:3

Who is one person I'm especially thankful for right now? Write them a note or prayer of thanks.

"For everything there is a season, and a time for every matter under heaven." – Ecclesiastes 3:1

What about this current season of life am I learning to be thankful for?

This should get you started. Remember, write a gratitude journal, and be sure to write in your journal every day during the month of November. .

***A Thanksgiving Prayer to Remember Those Less
Fortunate:***

**O God, when I have food, help me to remember the hungry;
When I have work, help me to remember the jobless;
When I have a home, help me to remember those who have no
home at all;
When I am without pain, help me to remember those who
suffer,
And remembering, help me to destroy my complacency;
bestir my compassion, and be concerned enough to help;
By word and deed, those who cry out for what we take for
granted.
Amen.**

How to Reach Out to Those Who May Be Alone for the Holidays

If you are among those fortunate enough to spend the holiday season with those you love, consider yourself very blessed. Why do people spend the holidays alone? There are a variety of reasons: family live far away; no surviving relatives; new in town and have no close friends.

Most people don't want to be alone for the holidays. Take a moment and reach out, and know that your gesture is appreciated. When approaching someone who may be alone, be genuine and be sensitive in how you speak to them. People often times have no idea how their careless remarks can hurt. Especially during the holiday season when stress is high and loneliness is unbearable.

Instead of asking someone if they are going to be alone for the holiday, ask them if they have plans. If they don't have plans, or you know they don't have anyone to spend time with them, why not invite them to spend time with you and your family?

Ask if they would like to accompany you to a church service, or to walk downtown to see the Christmas lights.

Send them a Christmas Card. Make them some cookies. Take a moment out of your Christmas Day to place a phone call just to let them know you are thinking of them.

These are all "little" gestures on your part but are "huge" in someone's life who is alone during this time.

Let's Talk About Advent

Did you know that the Bible does not mention Advent? Advent is a liturgical season of waiting and preparation for the coming of Christ. Advent was rooted in early Christian practice. Originating in the 4th and 5th centuries in regions like Spain and Gaul, Advent served as a period of fasting and preparation for the Epiphany. Over time, the Western church, particularly the Roman Catholic Church formalized the season, focusing it more on Christ's first coming at Christmas and his eventual second coming.

Here are ten facts you may not know about the roots and meaning of Advent.

1. Advent is a time of expectation and preparation for the birth of the Lord.
 - The word Advent comes from the Latin word *adventus* or coming.
2. Advent has a changing start date.
 - It starts on the Sunday closest to the feast of St. Andrew the Apostle (November 30th). It can begin as early as November 27th or as late as December 3rd.
3. Advent marks the beginning of the liturgical year.
 - Advent was chosen to begin the year as a representative of the time in history that Christ was not known to us. With his birth, the beginning of our faith was founded. The liturgical year ends with the feast of Christ the King, his reign over the universe.
4. The Advent season has two meanings.
 - It emphasizes both the celebration of Christ coming into the world as a man and also the second coming when the Lord will return again.
5. Hope is a predominant theme of Advent.
 - The Israelites hoped for a Messiah to come, and Christ entered the world.
 - We are hopeful for the arrival of Christ again into the world.

6. Advent is a reminder that the Old Testament promises of the coming of the Messiah.
 - The Advent tradition of the Jesse Tree consists of symbols of the Messiah coming from the line of Jesse (Lk 3: 23-38). Isaiah is often read during this season to remember that we are waiting for the day when the Messiah will come again.
7. Advent focuses on light as opposed to darkness.
 - Christ enters our dark world and casts away the darkness of sin to redeem us. He will come again as the light of the world.
8. Advent has two parts.
 - The first portion the First Sunday of Advent until December 16th is preparation for the second coming of Christ.
 - The second portion from December 17th to 24th directly prepares us for the commemoration of the first coming of Christ, Christmas.
9. The origins of Advent can be traced back to the church in France.
 - In the 4th century, the church in France used the period before Epiphany as a time of preparation for Baptism. It was called "St. Martin's Lent" for the 40 days that started on November 11th, feast of St. Martin of Tours.
 - In the 4th century, the church in France used the period before Epiphany as a time of preparation for Baptism. It was called "St. Martin's Lent" for the 40 days that started on November 11th, feast of St. Martin of Tours.
10. Advent, as we know it today, was developed in Rome.
 - Pope Gregory I in the late 6th/early 7th century composed many of the prayers, antiphons, and psalm responses. Many themes and ideas we now know can be traced to the Roman Advent Season.

Don't forget to set your clocks back an hour at 2 am on November 2nd.

General Election Day is November 4th.

To all of our Veterans: we are so thankful for your sacrifices. Tell a Vet thank you on November 11th.

Give thanks to the Lord for all of your blessings and your fortunes on Thanksgiving November 27th.

Veterans Day is celebrated on November 11th. The reason for celebrating our Veterans on this date is because it marks the “eleventh hour of the eleventh day of the eleventh month” in 1918 when an armistice ended WWI hostilities. Originally Armistice Day, was renamed in 1954 to Veterans Day in honor of all American Veterans (of all wars) with the date of November 11th retaining its historical significance despite a brief period when the holiday was moved to a Monday in October.

Veterans Day was moved due to the Uniform Holiday Bill which was passed by Congress in 1968 to create three day weekends. From 1968 until 1975, Veterans Day was celebrated in October at which time it was changed back to November when President Gerald Ford signed a new law to return Veterans Day to its traditional November 11th date because of the dates profound historical and patriotic meaning.

Thank you to all of our Veterans who served our country to help protect us and our freedoms. THANK YOU!

Thanksgiving is just a couple of weeks away. Did you know that you can successfully cook a turkey breast in your crockpot? Do you know the best part? It is moist, tender and so good every single time! If you are preparing a small dinner, this is the easiest and BEST way to make that turkey! I promise, you will get rave reviews!

Ingredients:

Of course you need a thawed turkey breast!

1 tsp paprika

1 tsp dried thyme

3/4 tsp poultry seasoning

3/4 tsp onion powder

Coarse sea salt & fresh ground black pepper.

4 tbs butter

- ◇ Pull the skin away from the breast and rub with butter. Then use a bit of melted butter and brush the skin with the butter and season with the paprika mixture.

1 sliced onion, 3 ribs of celery (cut into 1/3's)

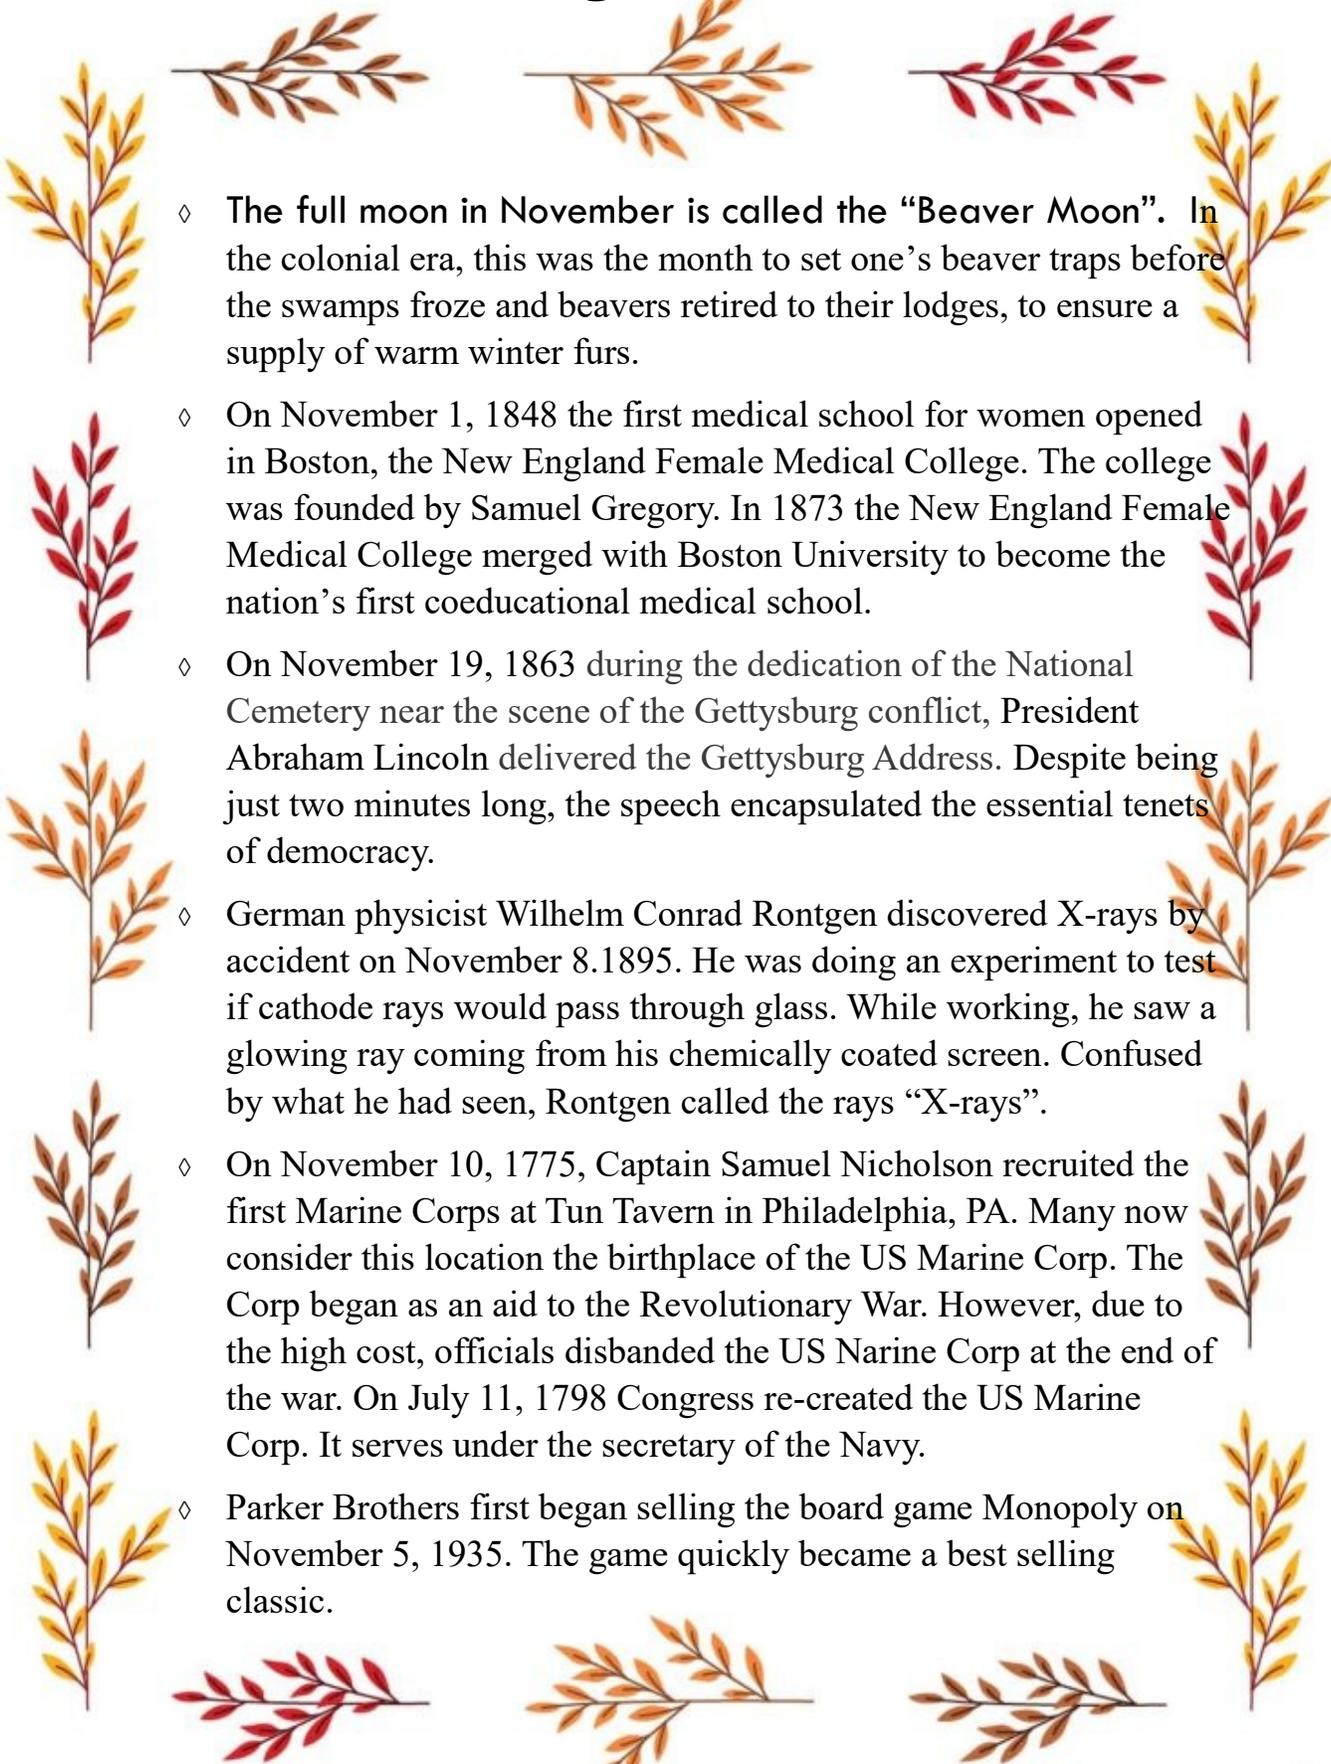

3/4 c chicken stock

1/4 c dry white wine

- ◇ Put the veggies and the liquid in the crock pot. Then place turkey breast side up on the vegetables. Cook on low for about 8 hours or until internal temp is 165 degrees.
- ◇ If you want gravy to go with your turkey: Melt 3 tbs butter in saucepan over medium heat whisk in 3 tbs all-purpose flour until lightly browned. Gradually whisk in the pan drippings, bring to a boil. Reduce heat whisking the gravy constantly until thickened. About 5—10 minutes.

There you have a delicious, fuss free turkey and gravy!!!! And, you kept your oven free to make the best part of the meal—the DESSERT!!!!

Interesting November Facts

- 
- ◇ The full moon in November is called the “Beaver Moon”. In the colonial era, this was the month to set one’s beaver traps before the swamps froze and beavers retired to their lodges, to ensure a supply of warm winter furs.
 - ◇ On November 1, 1848 the first medical school for women opened in Boston, the New England Female Medical College. The college was founded by Samuel Gregory. In 1873 the New England Female Medical College merged with Boston University to become the nation’s first coeducational medical school.
 - ◇ On November 19, 1863 during the dedication of the National Cemetery near the scene of the Gettysburg conflict, President Abraham Lincoln delivered the Gettysburg Address. Despite being just two minutes long, the speech encapsulated the essential tenets of democracy.
 - ◇ German physicist Wilhelm Conrad Rontgen discovered X-rays by accident on November 8, 1895. He was doing an experiment to test if cathode rays would pass through glass. While working, he saw a glowing ray coming from his chemically coated screen. Confused by what he had seen, Rontgen called the rays “X-rays”.
 - ◇ On November 10, 1775, Captain Samuel Nicholson recruited the first Marine Corps at Tun Tavern in Philadelphia, PA. Many now consider this location the birthplace of the US Marine Corp. The Corp began as an aid to the Revolutionary War. However, due to the high cost, officials disbanded the US Marine Corp at the end of the war. On July 11, 1798 Congress re-created the US Marine Corp. It serves under the secretary of the Navy.
 - ◇ Parker Brothers first began selling the board game Monopoly on November 5, 1935. The game quickly became a best selling classic.
