Well this is our first Newsletter for 2021 and in spite of the challenges we have had a busy year.

The Olde Thyme Fayre was not what it was, but we had a scavenger hunt and finally posted the virtual tour of the museum. Tour guides were Veronica Hughes, Dr. Constance Longmire, Kim Barret Malusky, Bonnie Williams, Stephanie Wike and Beverly Klimas.

We began work on a virtual Tales of Locust Grove but it turned out to be more complicated than we knew. Thanks to the Kniesel men, Keith, Mike and Eric along with Veronica Hughes and Keith Harris for the work so far. Thanks to the cast members who got us started and we will get this together soon. We kept the Museum open for Open Houses through out the summer and Fall, and the Trustees met every month to plan, adjust the plans and plan some more.

The museum got, and is still getting, a lot of love and attention and more things were put on display and exhibits reorganized. There are new signs both inside and out. The Riley House looks better than ever and you will be pleasantly surprised at how homey it looks. Big virtual hugs to Diana Kreidman, Beverly and Frank Klimas.

#### **Did you know you can sponsor one of our newsletters?**

The Historical society offers a chance to dedicate our newsletter for any special occasion or person for \$50/month. What month do you want? Please contact us via email, phone or snail mail.

Please consider doing this in the future. Plan a head if you want a specific month. It will be first come first served. If conflicts arise you will be contacted and we will work out a solution.

#### **This Months Dedication goes to Dolly Raines:**

January's Newsletter salutes Dolly Raines and the several women who join her on Tuesday mornings in the "Craft Room" at the Museum. They quilt, weave, sew, and, in general, make things that might be sold to benefit the Historical Society. This includes the annual hand-made quilt which brings in well over \$500 in raffle tickets every year.

The Tuesday-morning atmosphere is warm and welcoming and, in pre-Covid times, people came from Hudson, Bedford, Munroe Falls, Garrettsville, Beachwood, and Maple Hts. as well as Twinsburg. We look forward to a time in 2021 when life is a bit more normal and these creative ladies are all back. Winners of this years quilt raffle are on page 2.

The work on the Roach House is near completion. We are getting closer to having the house on the National Registry thanks to Laurie Sasala Fascina Kraska and Andy Tomko.

The Christmas celebration had to be cancelled but the Quilt and Doll House raffles were held on schedule. The results will be later in this newsletter on the website and on the Facebook page. Kim, Audrey, and Bonnie with the help of two Twinsburg High School students, Mady and Dominic Mistar. Rich Bissell mounted the large star from the Corbett farm on Freeman barn with the help of Paul DeCarlo.

One of our constant challenges is keeping you, our members, updated. Won't you give us a hand? Bob Davet is our webmaster. Please check the web page regularly. You can email and order things and update your membership there. Roy Meier handles membership and he loves to add names and numbers to our monthly report. Your dues are critical to keeping us up and running. Treasurer Gayle Davet pays the heat bills pandemic or not. Join the Facebook page and stop by often. Share our news with your own pages to get our message out. Read your Bulletin too as we have at least one press release a month, sometimes more. There are four of us who work as administrators; Dale Diersing, Kim Barret Malusky, Bonnie Williams and Marti Franks. Anyone can post pictures and memories. No ads please and nothing controversial. We work hard to keep this a sunny space and all about our three communities, Twinsburg City, the Township and the Village of Reminderville. If you have a question just leave a private message on Facebook or email and we will get back to you as soon as we can.

## Charitable Giving

The Historical Society relies upon the generous financial support of private individuals & of our local businesses to help us preserve and care for Twinsburg's historical legacy. We hope that you will help your Twinsburg Historical Society continue its important work by considering us in your will, trust or by beneficiary designation.

History is preserved not through government institutions but through the actions of selfless individuals who became aware of a momentous event or were touched personally, then inspired to do what they could do to save it. As a society we grow learning from our past and we hope you will join us in preserving this knowledge for the future.

Bequests in your will, trust or by beneficiary designation cost you nothing now. You can hold on to your assets for as long as you need them & you can change your beneficiaries at any time.

Leaving a financial gift in your will to charity is not done on a whim. It is a deeply personal decision that reflects your values and beliefs. It is an easy thing to do. Just contact your lawyer or financial advisor & tell them that you appreciate the Twinsburg Historical Society & want to support it for future generations with a gift by bequest in your will.
