

30TH OCTOBER 2014 CONSULTANT TRAINING DAY

At Lancaster House, Lancaster University Campus

Jaeva Management are pleased to invite you to attend the Consultant Training for the LEAP system.

Jaeva has been accredited as the first UK independent consultancy who can deliver implementation services to the LEAP UK client base. With projects now gathering pace, growing the network of skilled and experienced consultants able to confidently and professionally deliver those services is a high priority.

The training will provide an introduction to the LEAP system as well as detailed training on the various services required to complete a LEAP implementation.
