

## April 2021 / Apple Tree Prep Athens

Dear ATP Parents,

Happy April! Spring has sprung, and we are excited about it at ATP-Athens. This month has been great. The students enjoyed “National Read Across America” week. Thank you to each family that joined the class virtually and read to our students. They also enjoyed celebrating Farm Animals, Ireland/St. Patrick’s Day, and Zoo Animals. This month themes are: Birds, Reptiles, Recycling, and Eric Carle Week.

As we approach warmer weather, please continue to be mindful of our Covid procedures and protocols. Many have received the vaccine and that’s exciting, but some haven’t and to continue to fight against the spread. We are asking that individuals continue to wear a mask at drop-off and pick-up even if you have received the vaccine. At ATP-Athens, many have joined the “sleeve up for childcare” and are getting vaccinated.

Thanks for all you do to assist in our success!

ATP-Athens Administration Staff

### ANNOUNCEMENTS

#### Exciting Monthly News:
