May 2020

To Our Community Partners,

We would like to invite you to be a part of our
Payson Community Kids fundraising "Non-event Event".

This year we are featuring a social media photo component to be posted on our Facebook page. We are asking donors to send a photo of what they did to **NOT ATTEND** our event. Confused? Let me explain. This fundraiser is basically **don't attend anything**...just make a donation and send us a photo!

We hope to receive photos picturing something fun they chose to do instead of attending. Examples would be: Go on a hike, take a nap, sit by the fire, enjoy your favorite beverage, etc. This will be a fun addition to create even more exposure of our organization. Make more sense?

The mission of PCK is to promote healthy growth and development for Payson's children and their families, and to encourage their positive participation in the Payson community and society in general. The program provides assistance with food, clothing, and occasional financial needs, as well as opportunities for social interaction and educational activities. Services are aimed at meeting basic material needs and encouraging the development of positive self-esteem and responsibility.

The monies raised with this event allow us to continue this support and fund our summer and fall programs. Your donation of any type will be helping to make this possible. Please consider sponsoring this event, donating prizes to be given to participants or become a NON-GUEST yourself!

Event will be held through the month of June.

Donations can be mailed to PO Box 1856, Payson, AZ 85547 or
dropped off Monday – Friday, 10:00 – 5:00 at PCK, 213 S. Colcord.

If you would like more information or have any questions please call
the office at 928-478-7160, Naomi Hughes at 928-713-7296 or Suzy Tubbs at 928-978-3256.

Thank you for supporting this life changing organization!
