Communications:

Fresh Start property it was noted that the tires were being moved inside the building. Pictures were taken today July 22nd and the police will help keep an eye on this potential problem. Two letters were sent to Mr. Porter from Mr. Ware and it could be Mr. Porter could be feeling the pressure.

New Business

Bill Dory came before the Commission for the annual Redevelopment tax increment financial report. After discussion with the commission a motion to approve was made by Don and 2nd by Mike the vote was unanimous. Mr. Dory noted that the next step would be to submit it to the council. The report is due by July 30th and can be sent E-Mail. Any question can be address at the Aug Town Council meeting.

The County has received the redevelopment reports and will have the results of the funding for the next year. Mr. Dory doesn't expect a lot maybe the third floor of the Holiday Inn and the addition on with Putnam Plastic.

The County is in the process of adopting the Public Safety Tax. This could benefit our first responder by funding \$25 to \$50 thousand dollars to our community. Everyone needs to flood the county meeting to lobby for the Town. Or at the very least talk with the County Council.

The State Highway cut the weeds that were mention in the last meeting. The commission was wandering if more could be done to make it more appealing.
