## Westchester's Newest Auction Experience Begins September 21

MOUNT KISCO, N.Y. — The Benefit Shop of Bedford Hills, which has become the first stop for many local designers and homeowners searching for antiques and collectibles, is going global. With the inaugural auction planned for September 21, collectors can shop from a greatly expanded inventory of more than 500 lots. The auction can be viewed at an 8,000-square-foot warehouse at 27 Radio Circle or online,

[www.thebenefitshop.org](http://www.thebenefitshop.org).

Auctiongoers will find items at all price points, according to the firm. Included are period antique and contemporary furniture, original artwork, carpets, lighting, antique and modern decorative objects, as well as a selection of sterling silver flatware and serving pieces. In addition, there are more than 100 lots of period antique to contemporary jewelry and watches, including

many diamond and platinum period Art Deco pieces, which have been with the same family for 80 years.

All are invited to preview the items September 18 and 19 from 10 am to 5 pm and September 20 from noon to 6 pm. Patrons may also arrive early and preview items the morning of the sale, from 9 to 11:30 am.

Absentee and online bidding will also be open for bids for two weeks before the auction.

Prior to the auction, call 914-864-0707 to register for telephone bidding.

The full catalog will be posted online by September 5 and will be viewable there and on the Benefit Shop's Facebook page.

For the next auction in late October, donations and/or consignments are welcome (consignor receives 80 percent of sale price).

As a nonprofit, the Benefit Shop distributes all profits to

local charities. The largest beneficiaries to date have been Northern Westchester Hospital and the Mount Kisco Boys and Girls Club. Funds have also been given to more than 20 others, including the Westmoreland Sanctuary, the SPCA/Humane Society and the Katonah Community Center.

The Benefit Shop is at 720 Bedford Road, Bedford Hills. For information, 914-864-1919 or [www.thebenefitshop.org](http://www.thebenefitshop.org).
