CHICAGO TITLE®

What Matters Most.

Chicago Title is a member of the FNF family of companies and the nation's largest group of title companies and title insurance underwriters that collectively issue more title insurance policies than any other title company in the United States. We pride ourselves as being the industry leader with unsurpassed experience and the know-how to get transactions closed. From our in-house underwriting and legal counsel, to our team of motivated Escrow Officers, we have the most efficient closing process possible.

When measuring financial strength, Chicago Title and the FNF family of companies outdistance all other title companies. A title company's strength can be seen in its Core Claim Reserves. As of December 31, 2021, the FNF family of title companies has \$1.9 billion of Claim Reserves, far more than any other competitor in the industry. It is of vital concern to homeowners when it comes to measuring such reserves, as your future claims depends on them. Choose a title company that you can depend on, for many years to come.

As our world begins to reopen, Chicago Title has taken steps to help establish a stronger foothold as we recover from the crisis and move forward. The loyalty of our clients, the diligent effort of our employees to be the best in the industry, and the commitment of our local managers to provide distinctive leadership during these unprecedented times significantly positions us for a strong 2022 and beyond.
