

Baldwin Community Center Committee Minutes – 6/15/2016

Attendance: Kurt Olafsen, Paul Thomas, Donna Estes, Bruce Crawford, Deb Boulanger and public

The 6/1/16 meeting minutes were reviewed and approved.

VAULT: Per state law a vault is required to hold state records. There was discussion about which space would be best suitable for this vault. This was narrowed down to two/three locations. Research was going to be completed on vault specs to finalize recommendation.

A construction permit was granted. We discussed this permit vs. an occupancy permit. It is believed that once the recommended construction on the town office space is approved/completed, the Town will then have to re-file requesting occupancy permit.

NEXT STEPS: 1)Multi-purpose room clean up scheduled for 7/6/16. 2)A meeting will be scheduled with the architect to redo plans. We discussed requesting the architect start putting together a cost estimate in regards to recommended plans.

Horseshoe pits: Research on the cost and layout of the pits is in process of being completed.
