Information Summary

Tracy Youth Soccer League

Welcome to the Tracy Youth Soccer League (TYSL)—a youth recreational soccer league dedicated to the children and community of Tracy.

A little information about TYSL;

Tracy Youth Soccer League is a Non-Profit 501(3)(c) Organization which was founded over 36 years ago. The registration fees we charge are applied to expenses throughout the year including; field rentals, Insurance costs, Referee's, Storage Rentals, Pictures, Equipment, Postage, Printing and Reproduction to name a few.

Each year Tracy Youth Soccer League awards several college-bound High-School students' scholarships? It's a great program that encourages academic success as well as community support by Tracy's young citizens.

Our latest addition to our continued league success and community support is our Top-Soccer program. This program provides physically or mentally challenged individuals a chance to play soccer in a safe supervised environment. We have several soccer programs available throughout the year based on skill levels.

Recreational Soccer

Our recreational soccer program is currently developed for Fall soccer. However, we have successfully hosted a Spring recreational soccer program in the past.

With the start of the 2016-2017 playing season, the age calculation will be based on the calendar year that is from January 1 – December 31. The playing age is derived from subtracting the ending year of the seasonal playing year, minus the birth. If a birth year falls outside of the ranges specified in the matrix below, a playing age will not be displayed as the player is either too old, or too young.
