

Are you...

- A good student with a 3.0 GPA or higher?
- A determined person who works hard to achieve your goals?
- Interested in the idea of attending college?
- Possibly the first person in your family to consider attending college?
- Facing financial hurdles or other challenges that might keep you from applying to or attending college?

If you said yes to many of the questions above, we encourage you to apply!

What is The Office Group?

The Office Group is a private, non-profit organization that helps hard working, under-resourced students realize their college dreams.

- We serve high school students in the Bend-La Pine School District
- Students must submit the following application for consideration
- If admitted, members spend a minimum of 2-3 hours each week at The Office Group
- Members also participate in group enrichment activities a few times per year

Services are offered FREE to Office Group members and include college counseling, academic monitoring, tutoring, and social mentorship. We serve roughly 25 high school students per year and continue to mentor our members throughout college.

Anticipated Outcomes

Success in High School

- Improved grades, test scores & academic planning
- Development of organizational and study skills
- Increased social awareness and personal responsibility
- Participation in community service and extracurricular activities

College Opportunities

- Members and parents recognize college is an option, both academically and financially
- Members are well prepared to apply (and be accepted) to higher education institutions
- Members maximize financial aid and scholarship funding
- Members are poised for success in college and beyond
