

Be Still and Know That I Am God (song)

August 6, 2012

Be still and know that I am God.
Be still and know that I care.
No weapon formed against you
will ever prevail.
For I have written your precious name
upon the palm of My hand.
And all who defame you,
will fall away (will meet their end)
Not to be found anymore, anymore,
no, never to be found anymore.
