

**SCHOOL LIABILITY****POLICY**

The Board of Education shall carry such liability insurance to cover the school district, its Board Members, officers, employees, agents, and volunteers, while they are performing assigned duties, to the limits of liability deemed necessary to protect the Board of Education and the District.

**Accident Reporting Procedure**

All accidents shall be reported immediately to the nurse, by the teacher in charge of the group, at the time of the accident, and by the nurse to the building principal. All necessary accident report forms shall be completed and filed in accordance with established procedures.

Board of Education

Adopted: April 26, 1984
