

A COLLECT OF CLUB WOMEN

Keep us, Oh God, from pettiness;
let us be large in thought, in word,
in deed

Let us be done with fault-finding
And leave off self-seeking.

May we put away all pretense and
meet each other face to face,
Without self-pity, and without
prejudice.

May we never be hasty in
judgement and always generous.

Let us take time for all things;
make us grow calm, serene, gentle.

Teach us to put into action our better
impulses straightforward and unafraid.

Grant that we may realize it is the little
things that create differences, that in the
big things of life we are at one.

And may we strive to touch and to know
the great, common human heart of us all.
And, Oh Lord God,

let us forget not to be kind
