

Search for New Board Member/Treasurer

Launched in 2007, All Ages Read Together (AART) provides free school readiness programs to nearly 100 vulnerable four and five-year-old children in Loudoun and Fairfax Counties each school year. We fill a gap that other sources do not address, giving overlooked students a better start in life.

To lead and oversee AART's financial health we are seeking an experienced Board Treasurer with a desire to make a difference for children to serve on our Board of Directors. AART's budget has grown to about \$300K as we developed, evaluated, refined and expanded our programs and outreach.

Ideal candidates will have experience with nonprofit budgeting and fiscal management and a passion for making a difference in the lives of local pre-kindergarten children.

Should you get excited about this opportunity to learn and serve with a committed, active Board of Directors, please contact Leigh Shields, Chair, AART Board Performance Committee, at leighshields@comcast.net. A full position description can be found here: [AART Board Treasurer](#).
