RECREATIONAL VEHICLES & TRAILERS

A reminder that trailers, boats and/or motor homes may only be on the street, or in a driveway, for up to 48 hours (with consent of the adjacent property owner).

ARCHITECTURAL CHANGES

Please remember that making visible changes to your home or property might require Board approval. This includes exterior paint, major structural changes to the interior, etc. If you're planning any projects, please take a moment to review the Architectural Change requirements detailed in the CC&Rs. This can be found under Article C. An Architectural Change Request Form is available on the HOA's website, or can be requested by contacting a member of the Board. We do our best to respond promptly.

BASKETBALL HOOPS

This is a reminder that basketball hoops should only be placed on your private property. Hoops that are in the street, or on the sidewalk, create hazards for drivers and pedestrians. They can create issues with the water not draining correctly from the street, along with complications during the City's leaf removal and street cleaning.

TRASH & RECYCLING BINS

Trash & recycling bins may be left on the street for 24 hours only for pick up. Please remember to store bins so they aren't visible from the street.

KEEPING YOUR PROPERTY SAFE

This year our neighborhood has had many instances of items being stolen from unlocked cars. Below are some tips for keeping your property safe.

- Anytime you are not home, make sure you lock the doors to your home. Most burglaries happen during broad daylight when everyone is at work
- Make sure you lock your car doors and do not leave valuables in your vehicle. Glove boxes and center consoles are car prowlers number one spots to check. If you do become a victim of a car prowler, check the surrounding bushes on your block. Car prowlers tend to stash the items they take in bushes and come back for them later
- Turn your outdoor lights on at night and leave them on until the morning. This extra light is a deterrent to prowlers
- Report all crimes to the Albany Police Department. This will assist them in assigning patrols and knowing what to look for
- APD Community Resource Unit members are available to conduct a free security survey of private residences. They can offer suggestions regarding external and internal lighting, security locks, exterior foliage and fencing, alarms, etc. To schedule a security survey for your home, contact the Community Resource Unit at 541-917-7680

TREE TRIMMING

Many of us have trees that hang over a street or sidewalk. As part of keeping the sidewalks clear, the City also requires that trees should be trimmed periodically to ensure there is a clear path for pedestrians and prevent injuries. Below are the requirements provided by the City.

- Sidewalks: Trees should be trimmed 8 feet above the height of the sidewalk
- Streets: Trees should be trimmed 14 feet above the height of the street
