2021 Louisiana District Ride-In

If are attending our November ride in and need a place to park a camper, this is what we have found.

There are no true RV parks that are set up for the traveling tourist. What this area does have is several camper type parks that primarily provide a place for workers who are staying/working in the area for 1-3 months. When space allows, they provide camping places for short term tourists. They do not take long term reservations. Below are three such parks. We have visited all three parks and recommend Baker's RV as the 1st choice.

Please call me (Mike-225-964-3999) for further details on each park.

Baker's RV Park
879 Highway 61
Jackson, LA 70739
225-936-9154

I would not hesitate to stay here. Concrete road and pads. No trash or unsightly conditions.
No dogs over 25 pounds.

Legacy RV Park
9695 Bains RD
St Francisville, La 70775
225-362-9156
225-635-0035

This is a large park with a lot of open spaces. You could probably park in an area by yourself.
All gravel roads and grass pads.

Peaceful Pines
11907 LA-965
St Francisville, LA 70775
225-324-9230

Some asphalt with campers parked pretty tight.

All the above RV parks are in the area of host hotel/riding areas.
