## 2021 WEST TEXAS ALL STAR

### TOURNAMENT RULES

#### GENERAL RULES FOR ALL AGE GROUPS

1. Rosters in each age group shall consist of a minimum of 25% (+/- 2%, left to the discretion of the local league board) of registered players in that age group.
2. The League, Organization or City name from which a team is entered must be prominently displayed on the player's uniform during all games.
3. ACE (Achieve, Certify, Educate) Coaching Certification will be required for all coaches. Coaches will be required to display their USA Softball ID Badge during tournament play. A current ACE certification card must be presented to the umpire at the plate prior to each game. Additionally, all adult volunteers that will be interacting with the players, either on the field or in the dugout, will be required to complete the USA Softball background check. These volunteers are also required to display their USA Softball ID badge during tournament play.
4. Team rosters for 8U, 10U and 12U are required to have 12 players. Team Rosters for 14U, 16U and 18U must have a minimum of 11 players and a maximum of 12 players.
  - a. Once tournament begins, rosters cannot be changed. Each team may select one alternate at the discretion of each organization. If an alternate is chosen she may play in pool games only. If a league does not have the required number of players available to form a team, the league may go to a nearby town's league and pick up the necessary number of players needed. These pick-up players must have participated in league play and be approved by both league presidents.
5. Roster players must be listed on the team roster first. This will be in the 1-12 slots for 8U-12U; or 1-11 slots for 14U-18U teams electing to participate with the minimum number of players. If an alternate replaces a roster player (1 of the first 12 listed; or 1 of the first 11 players listed for 14U-18U teams electing to participate with the minimum number of players) that roster player is ineligible for the rest of the tournament. If the roster player enters a game after being declared ineligible, that game shall be a forfeit.
6. If a team does not have the required number of players (12 for 8U, 10U, 12U, and a minimum of 11/maximum of 12 for 14U, 16U, 18U), an out will be taken for each player not on the roster/lineup. There are NO exceptions to this rule.
7. No player will sit out more than one inning in a row unless ill or injured as agreed to by player's parent or guardian.
8. Bat your entire lineup the entire game. If a player is absent for any reason, an out will be given for each player not present at their 'at bat' time.
9. International Tie Breaker will be used after time or innings expire.
10. Pool games will be 55 minute, dead stop time limit.
11. Bracket games will be one hour and twenty minutes including championship and if necessary games.
12. The tournament will supply each team with 2 balls to begin the tournament. Additional balls may be purchased as needed. All balls shall be USA Softball approved

13. When pitching, restrictions are in place, the following will apply:
  - a. Each coach will be allowed three trips per pitcher per game
  - b. A pitching change without a conference counts as a trip.
  - c. A pitching change between innings counts as a trip.
  - d. A defensive conference is a trip on the pitcher.
  - e. Pitcher outs are to be reviewed during the pre-game conference with the umpires. Pitcher outs can be verified at this time by reviewing the team's official scorebook or by other means as required.
  - f. If the game goes into extra innings, the pitcher pitching the last out of the last inning will not be credited with any outs pitched in extra innings. For 10U, an extra inning begins with inning #6. For 12U-18U, an extra inning begins with #8. Play after time has expired does not necessarily count as an extra inning. If a pitching change is made during the extra innings, the outs are charged to the new pitcher. This only applies to extra innings, not time.
  - g. If the pitcher exceeds her outs allowed to pitch, the penalty is she may not pitch for the next two games and the Head Coach is suspended for the next game. The last pitch she threw will be ruled an illegal pitch.
  - h. There is no penalty for a pitcher exceeding her outs due to multiple out situations.
  - i. If a team reaches the run limit without getting three outs, the pitcher in the circle when the last run scored is credited with the outs not actually earned.
14. Substitutions during an inning are not allowed except in the case of injury. The substitute may play any position including pitcher.
15. Pitcher's outs are cleared for the championship games. Pitcher's outs are carried over to the "if" game.
16. Run rules are as follows for all age groups:
  1. 15 after 3
  2. 10 after 4
  3. 8 after 5
  4. Once time has expired and a team is behind by more runs than they can score in their half of that inning, the game will be over by run rule.
17. Protest fee will be \$100 cash. If protest is lost, money stays with the tournament. Protests will be decided immediately. All protests must be made before the umpires have left the field at the end of the game.
18. Unless specified otherwise, the USA Softball rules are in effect.
19. If it becomes necessary to shorten or cancel games due to inclement weather consolation games will be altered or canceled first.

The Pitcher will be allowed to play any and all other positions in that next game.

There will be no further protests or punishments against the violating team for this game in question.

If a team has violated the Pitcher's Out rule, and that violation was NOT protested by the team against whom the violation occurred, the NEXT team whom the offending team plays, may lodge a protest prior to the next game.

This type of protest MUST be made to the Tournament Director or Member of the Tournament Executive Committee PRIOR to the start of the game. This type of protest can ONLY be made by the Head Coach of the very NEXT game the violating team is playing. NO team may protest a violation that occurred in game earlier in the brackets than immediately prior to their game, i.e., the violation occurred in game 2, only the team they face in game 3 may protest.
